DEDICATION

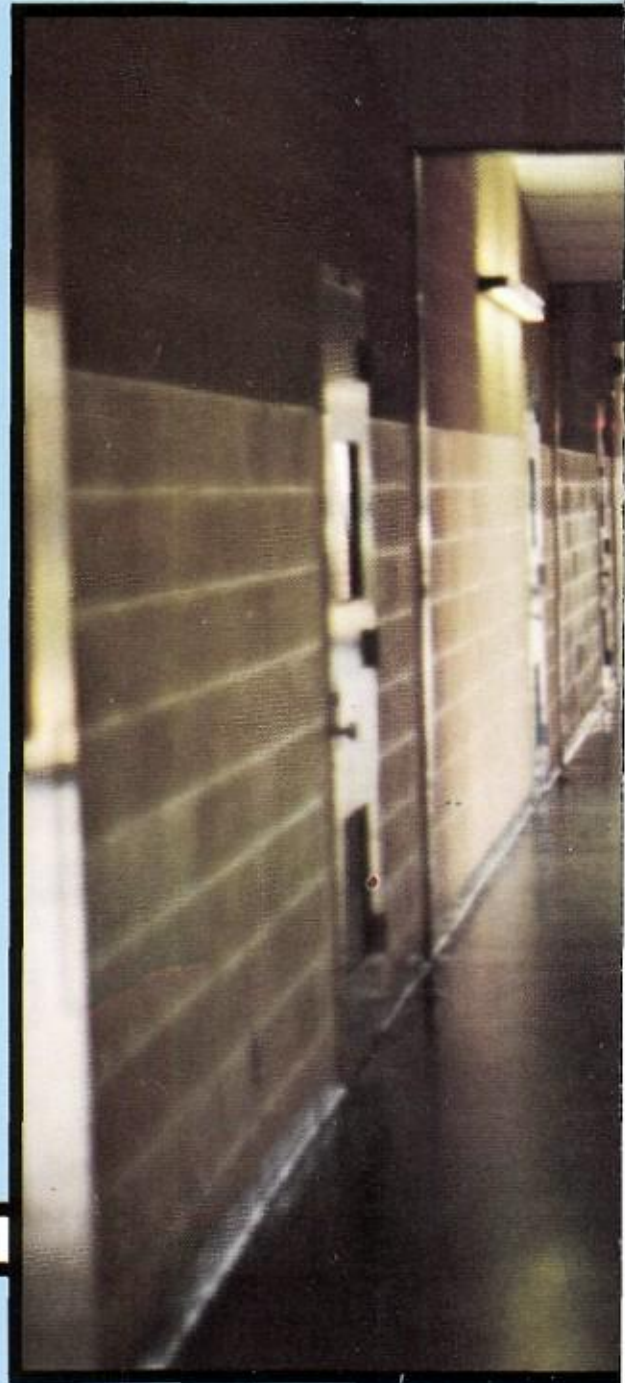

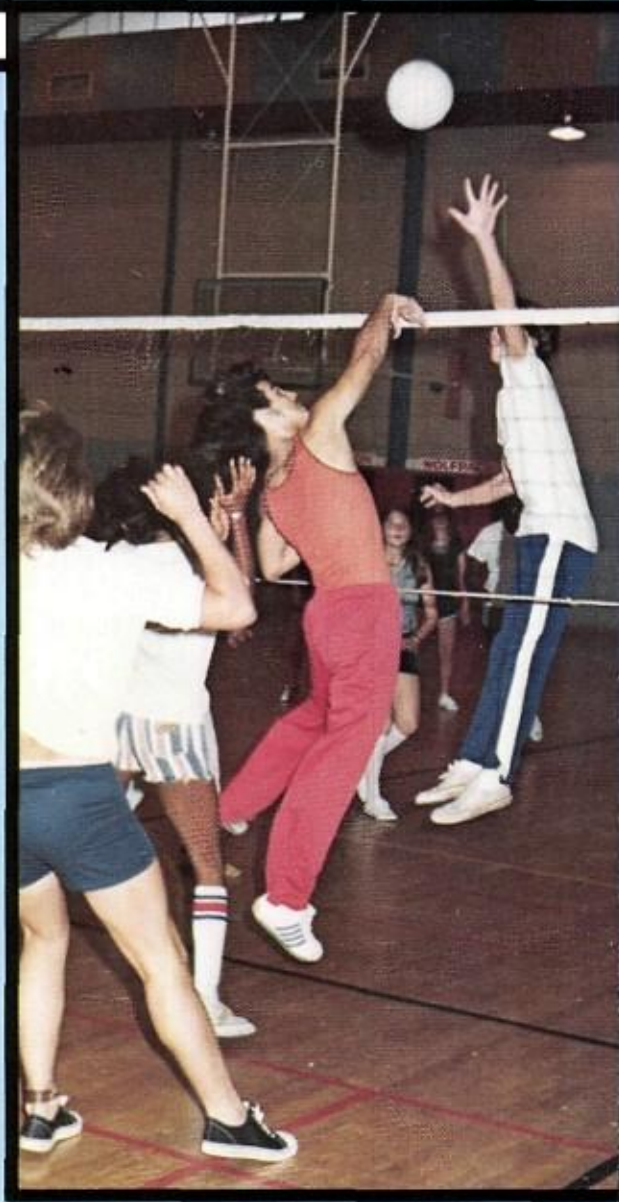

Regardless of who you are,
what your activities are,
your classes or your date
of graduation, something
this lady has done has
touched your life and
made you the richer for
having known her.

As director of Student
Activities and head of the
Social Studies department,
she gives of herself
unceasingly every day to
make each pupils'
tumultuous high school
years a bit more fun,
exciting and educational.
Her continual devotion is
surpassed only by the
unrelenting love she gives
to us, her sweet cherubs.

This 1978 Rhombus is
dedicated to our guardian
angel, Mrs. Frances
Brewster.

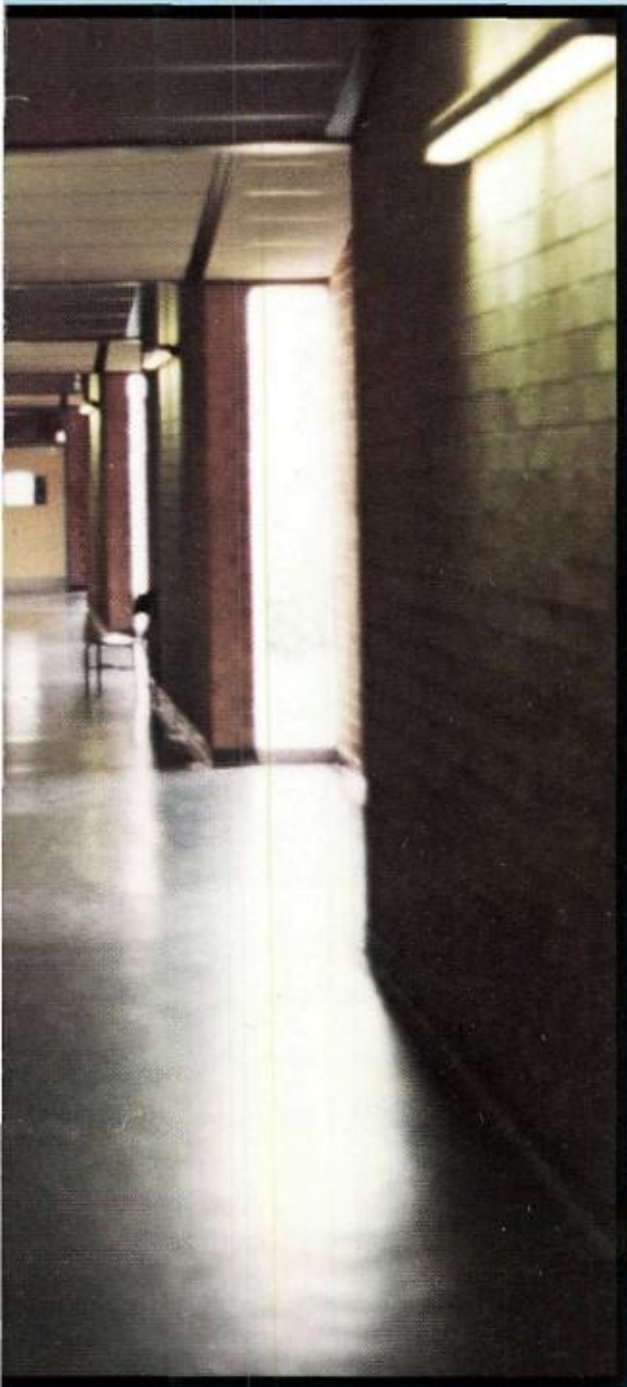

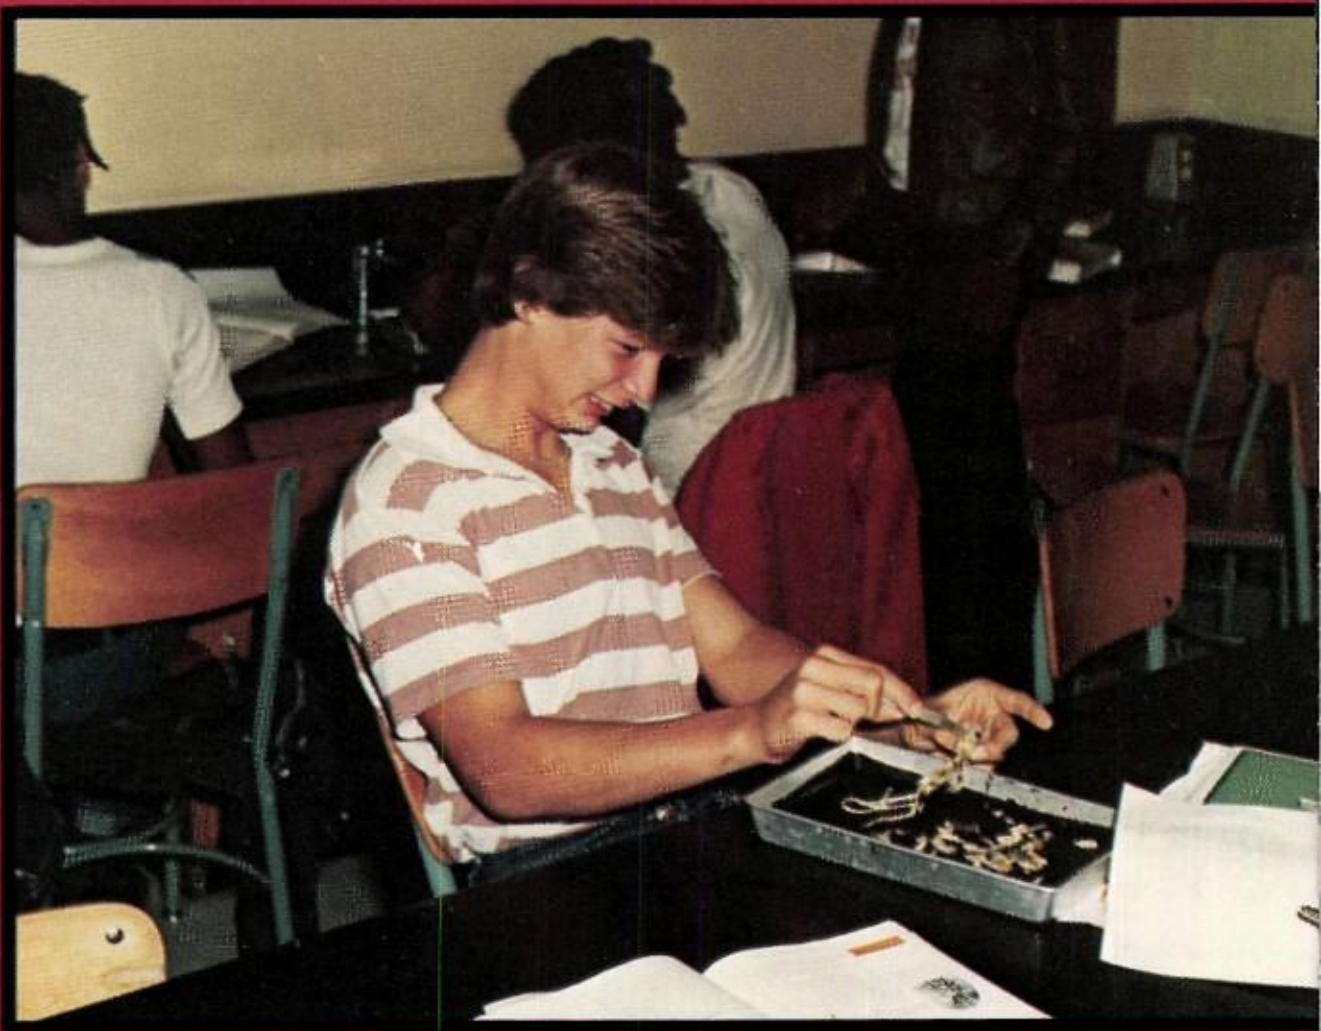

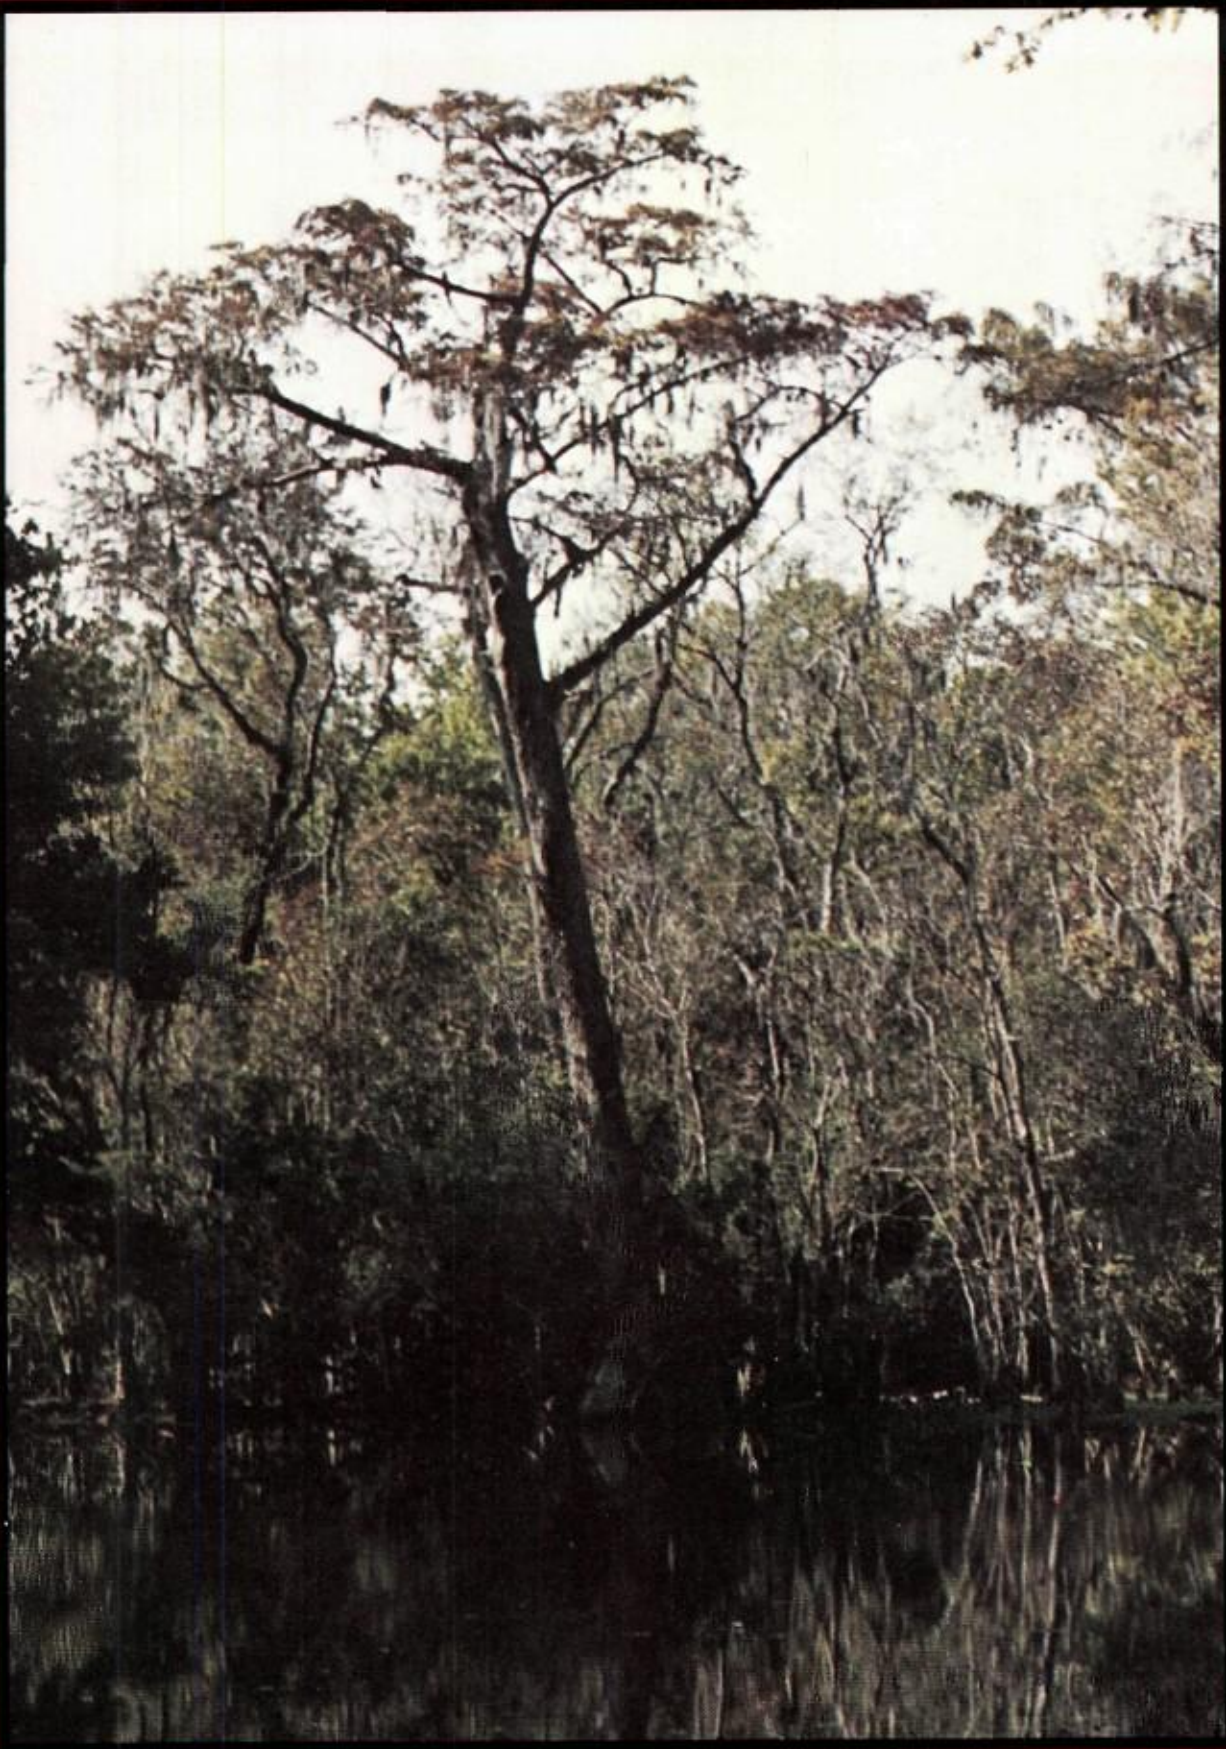

The oaks and the pines,
And their brethren of the
wood,
Have seen so many suns
rise
and set,
So many seasons come
and go,
And so many generations
pass
into silence,
That we may well wonder
what
"the story of the trees"
would be to us
If they had tongues to tell
it,
Or we ears fine enough to
understand.

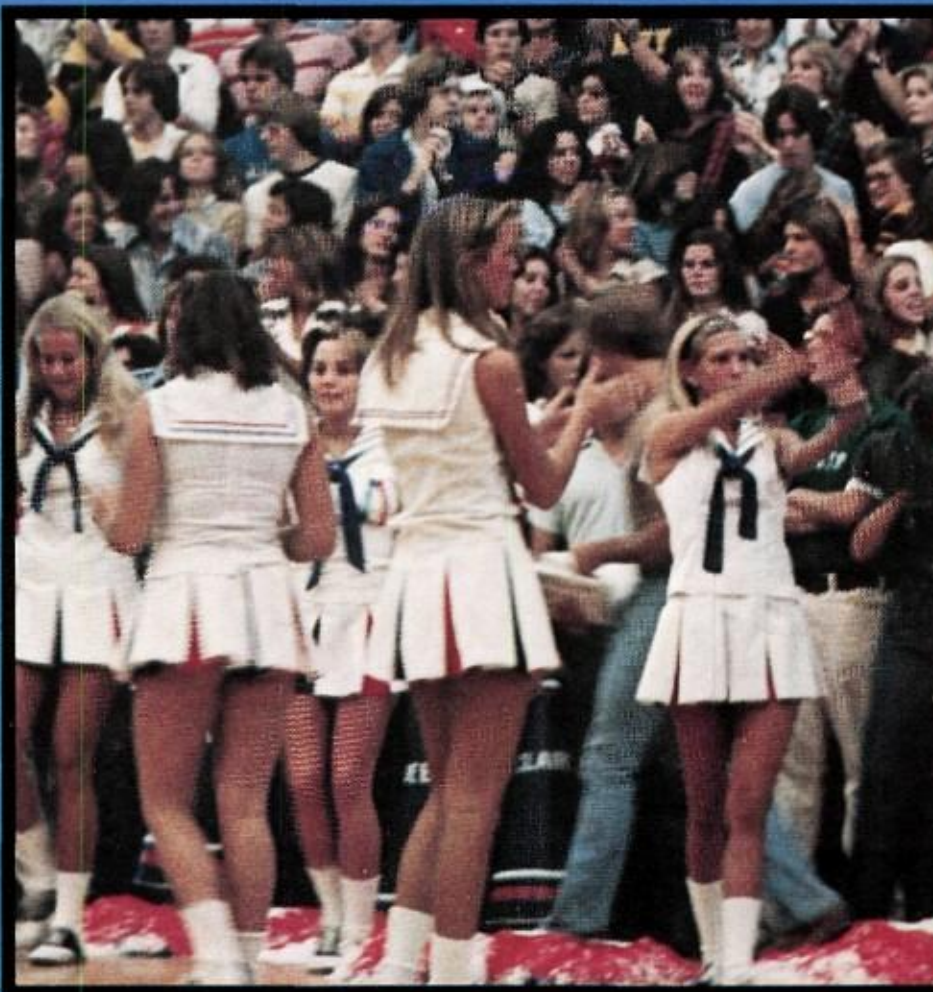

—Anonymous.

The tree of Learning
Is just one of the trees we
Have to imitate in our life.
Just as the cypress tree
grows,
Spreading its roots along
the
side of the river bank.
We too, expand our minds
to
gain the knowledge
We will need later on in
life.

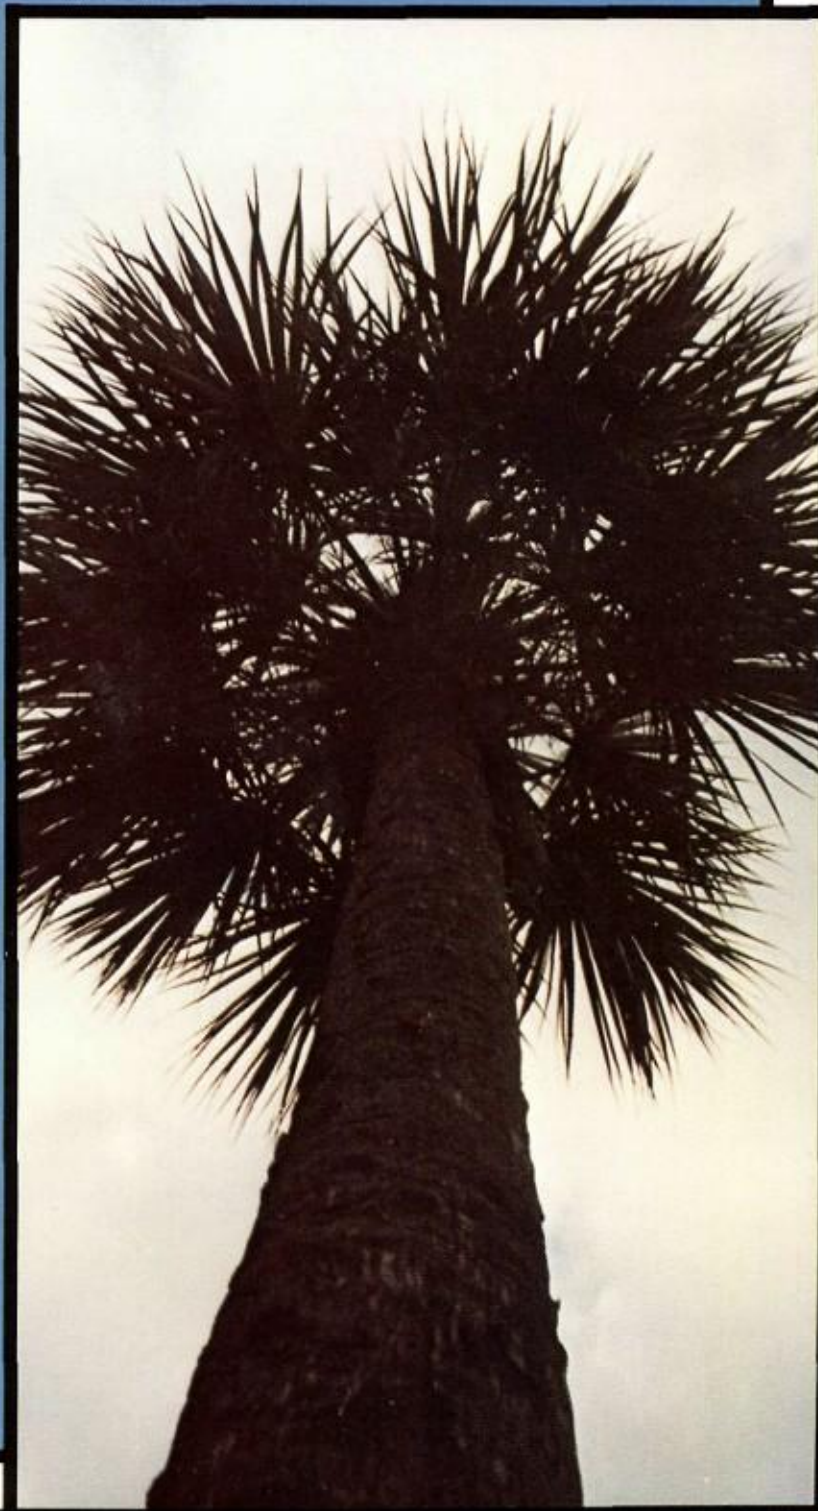

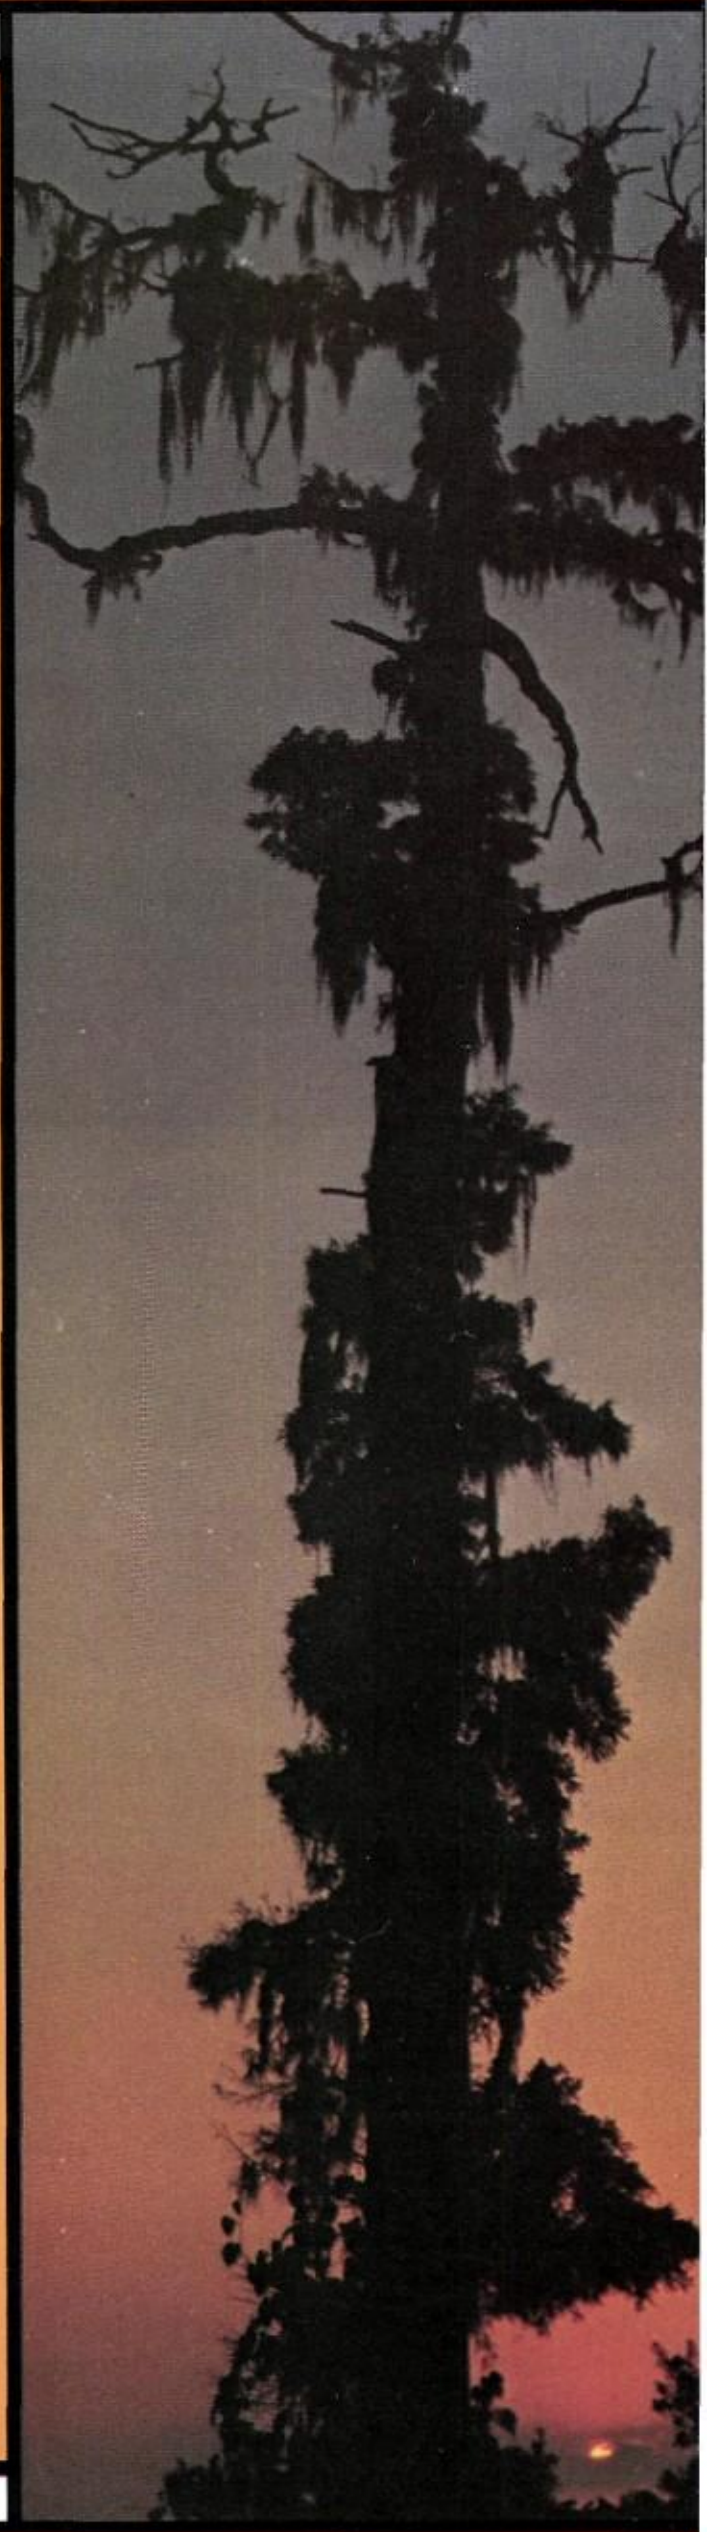

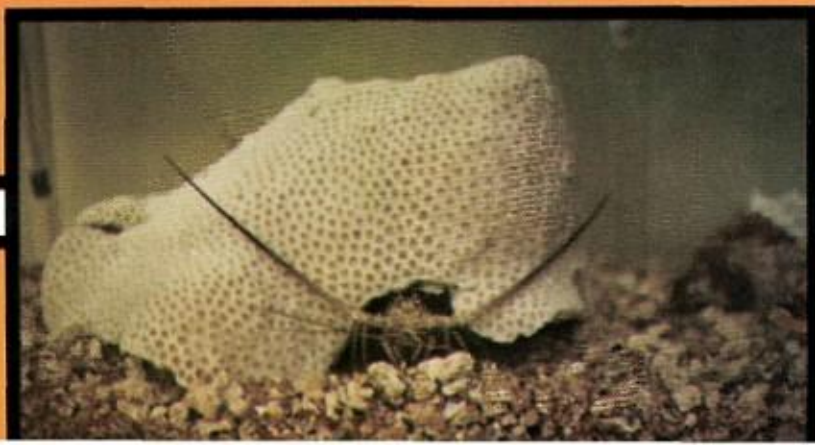

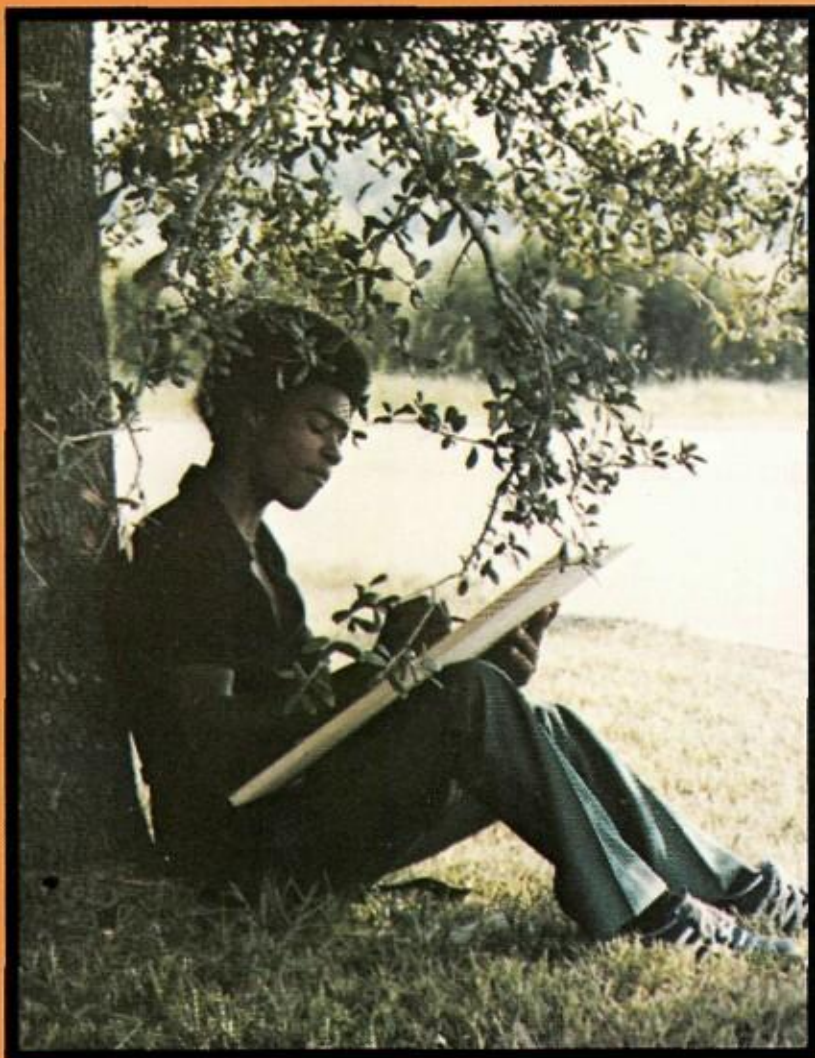

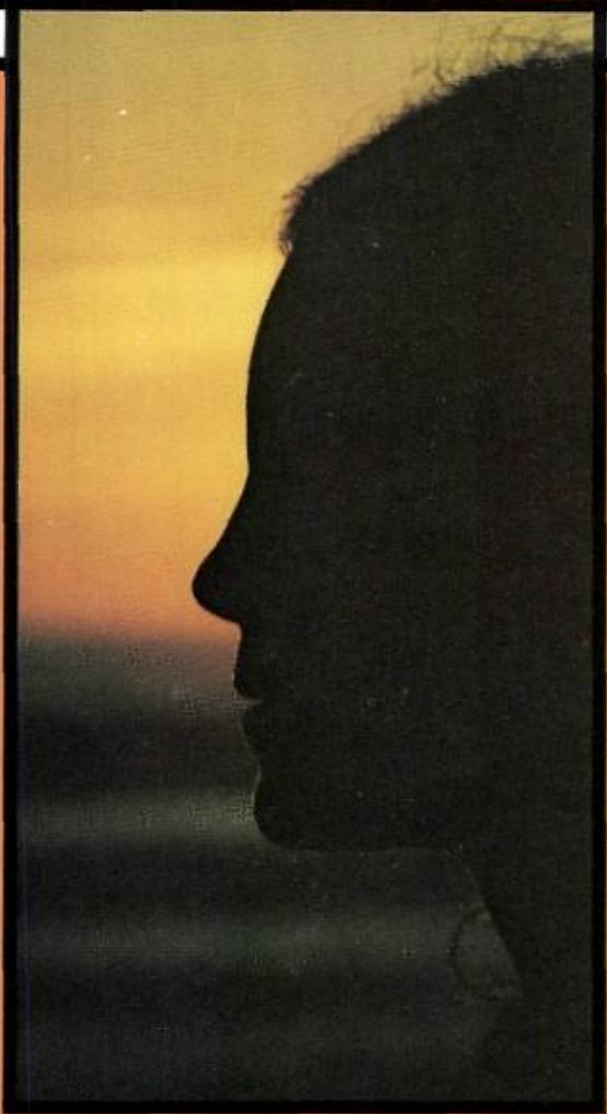

As the palm rustles and waves
in the wind,
So does our spirit for our
school.
Just as all the palm fronds
Gain strength and are united
as one,
So must we be united in the
spirit of Wolfson.

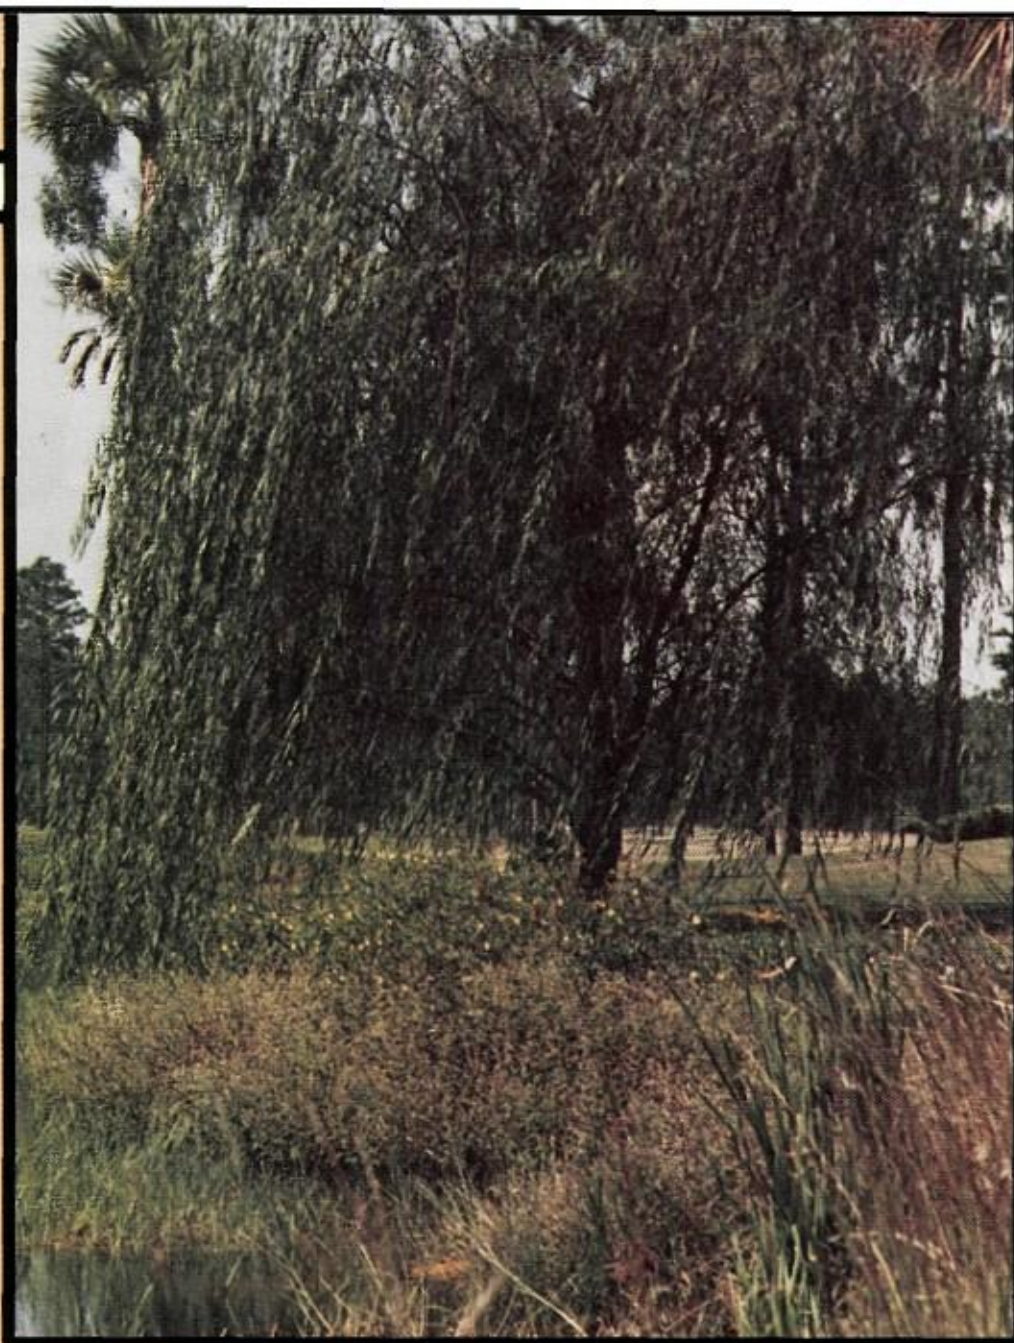

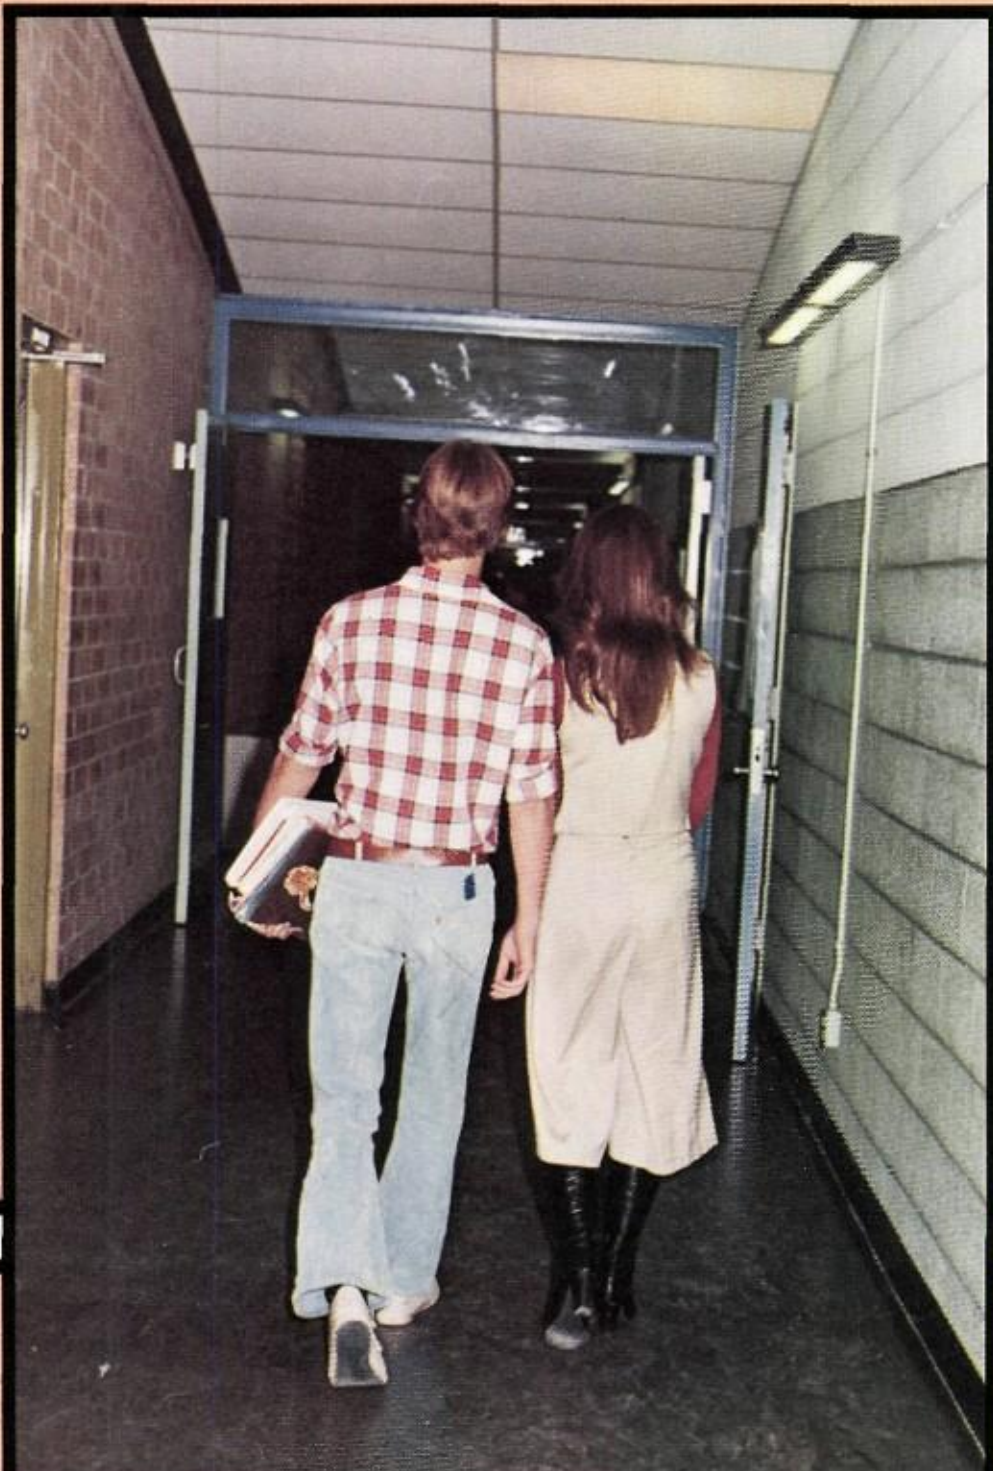

As a tree grows in the
forest,
So should we grow as
individuals.
Trying to attain our
greatest
height,
Independent of those
around
us,
Yet part of a greater
whole.

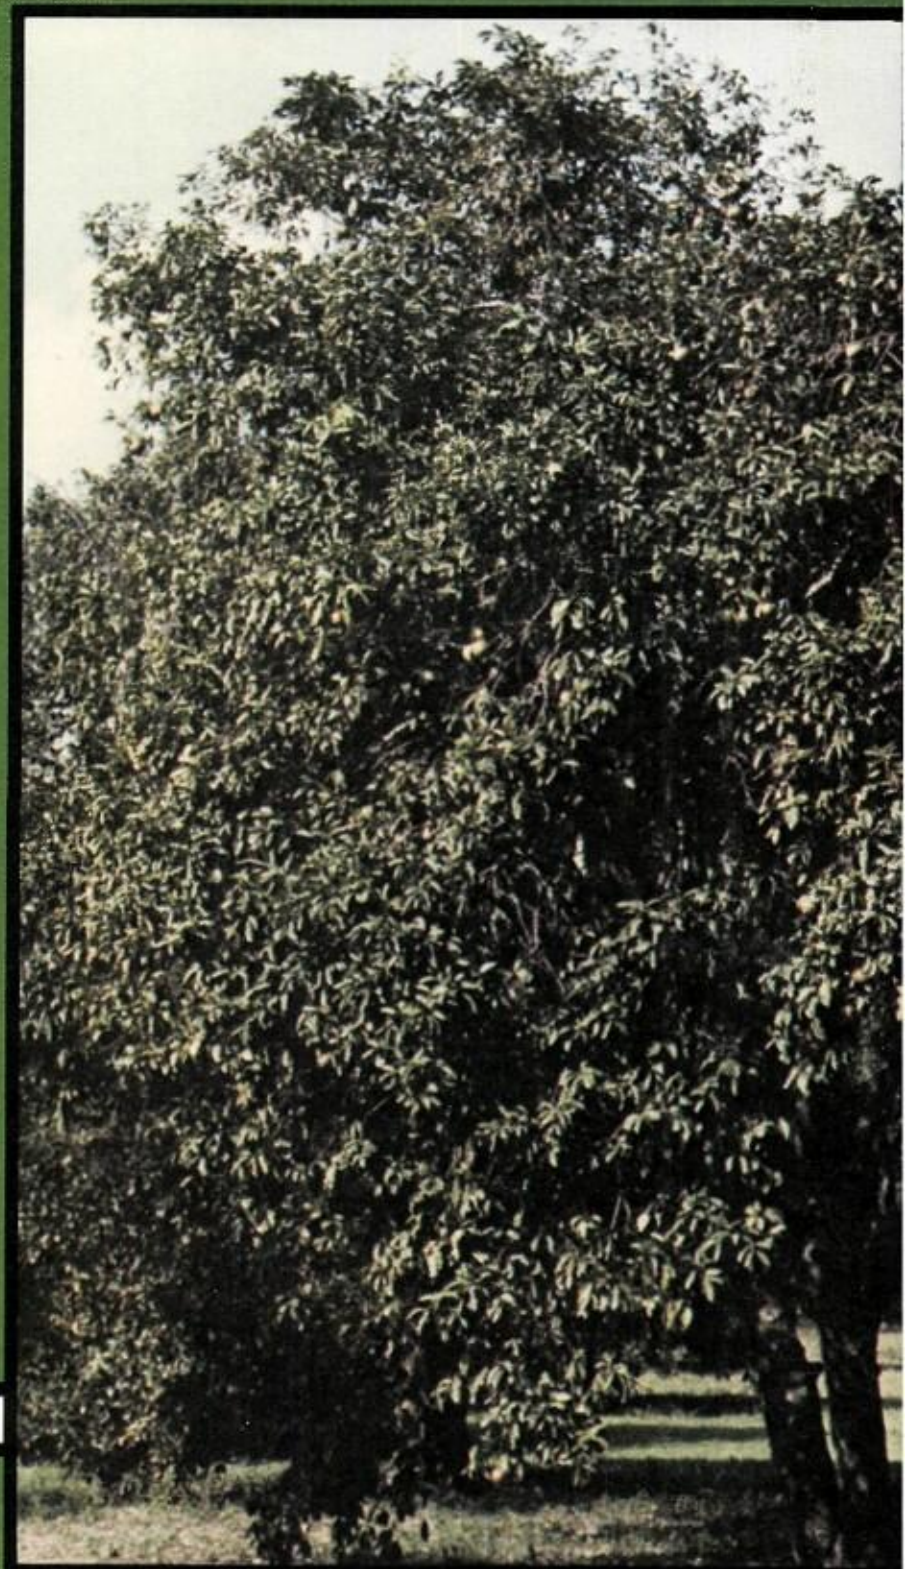

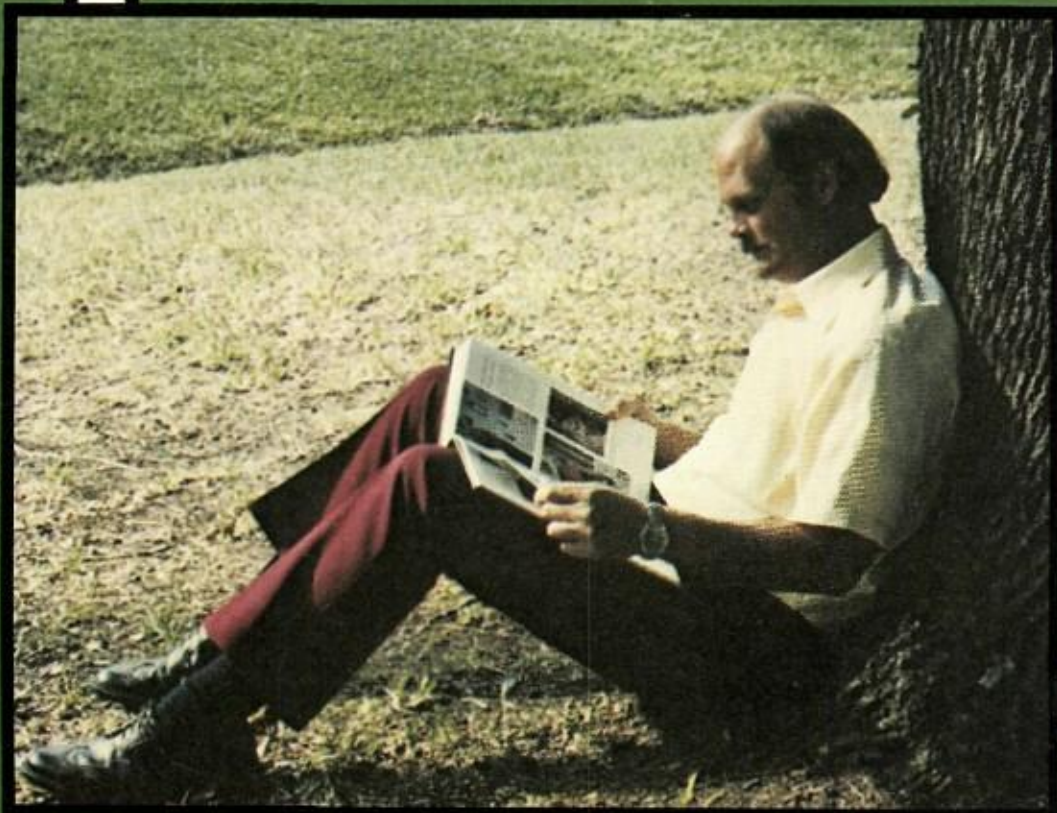

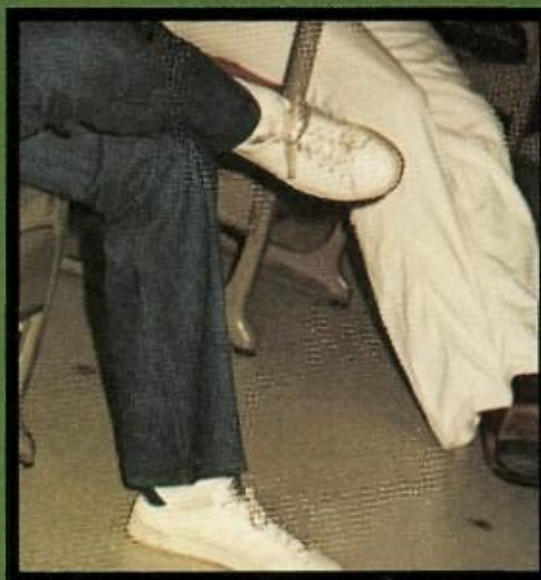

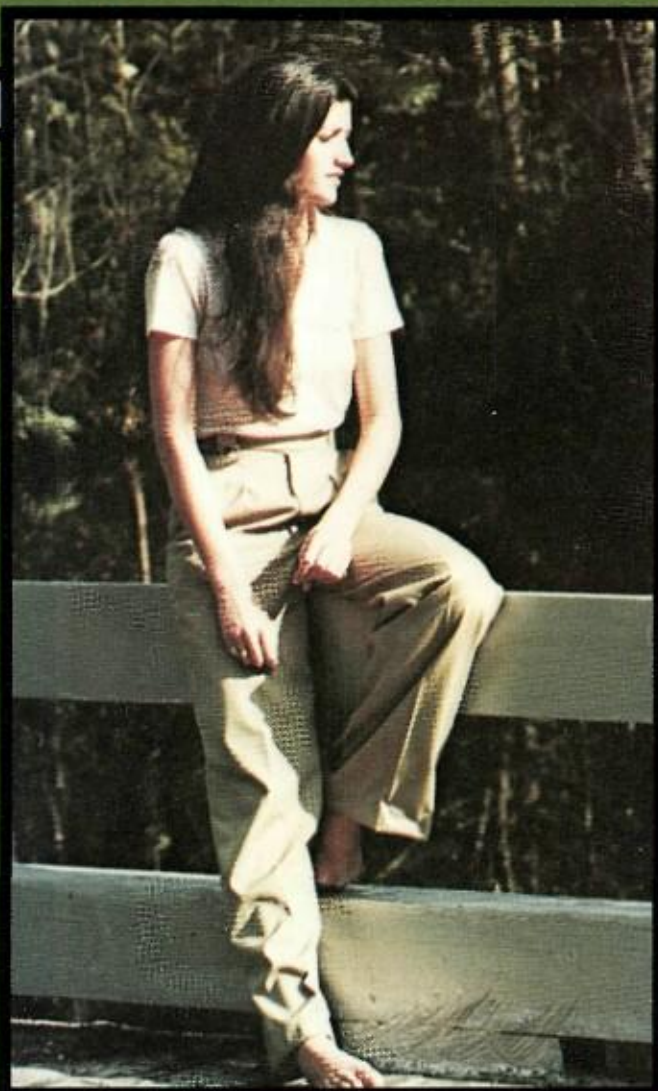

Friendship is one of the most
important parts of our
high school experience.
Often they are lost through
misunderstandings.
Each of us should endeavor to be
like the willow tree,
For it resists not the breeze
that tries to disquiet it,
But allows it to pass, and rises
again undisturbed.

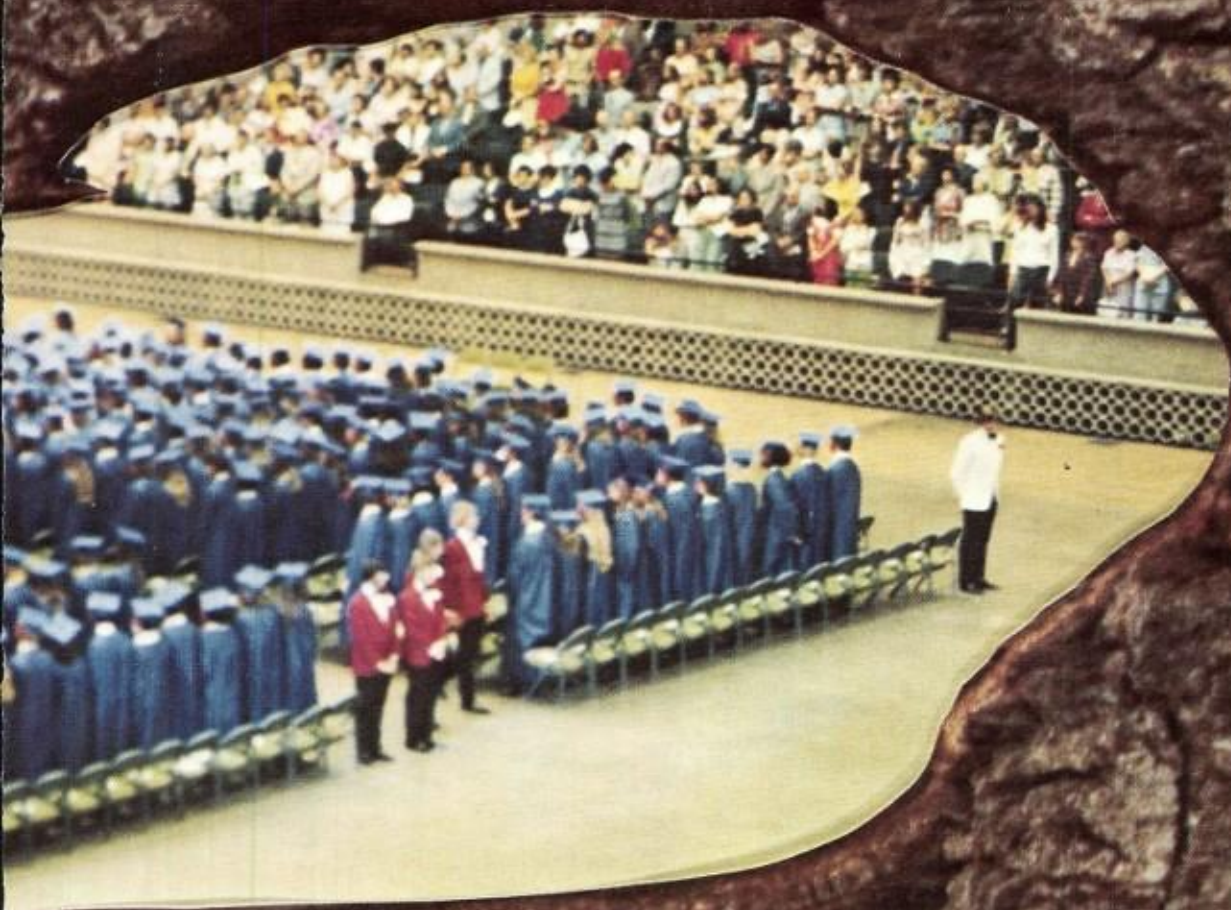

The orange tree blossoms into
an array of color each spring.
Yet soon the blossoms die
And are replaced by fruit that
quickly ripens.
We also should be constantly
changing.
Not allowing ourselves to be
satisfied with what we are,
But sacrificing what we are
for the better self we may
become.

A HOMECOMING QUEEN

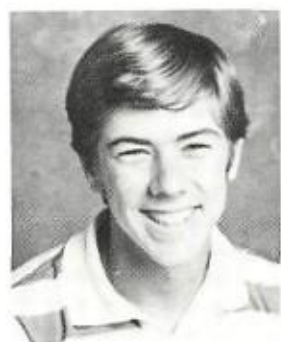

A queen. Sometime during their young lives, most girls try to imagine what it would be like to be a queen. Mitzi Keeler was no exception but for her the dream came true when she was elected Wolfson's Homecoming Queen for 1978.

During an interview, Mitzi said, "I think that all girls have dreamed about being a queen. When I was a little girl my dad used to call me his queen and when he found out I won, he was really excited."

What was it like when Mitzi was announced as the 1978 Homecoming Queen? Mitzi replied, "I had been nervous all day, and when the time came for the announcement of who it would be, it seemed like an eternity. Then when they said my name, I was so excited that I gave my escort a big hug!"

After the initial excitement, Mitzi's first thoughts were of her peers in the stands. "I wanted to know what everyone else was thinking and if the crowd was pleased that I had won."

Mitzi realizes that being Homecoming Queen also entails responsibility. Her feelings were best summarized when she cheerfully remarked, "I feel very proud to represent Wolfson and will do the best I can."

OPEN HOUSE

The Wolfson PTSA held its annual open house on October 27, 1977. Parents followed their children's schedule to talk with teachers about the coming year. Many parents found it difficult to find their children's classes and often arrived after the tardy bell had rung, much like their children.

Wolfson offers all of its students education; that is, the education that comes from class lectures, diligent study, and exams. But the extra activities that help build qualities of leadership and organization, that teach us how to work with our peers and those in authority, and help us become well rounded individuals-all cost money.

The following is an approximation of the expenses incurred over a three year period by the active students here at Wolfson:

Yearbook	\$31.50
Jerseys-Two clubs	66.00
Club dues	18.00
Football games	45.00
Student Council fee	3.00
Spirit ribbons	7.50
School Pictures	78.00
Class ring	80.00
Prom	270.00
Grad night	21.50
Lunch	540.00
Band and chorus	680.00
Total cost	\$1840.50

But its worth it!

CHORAL VARIETIES

.....

The Chorus continued Wolfson tradition by putting on another fine performance this year. The show included music and comedy acts. It showed the true talent of Wolfson students.

This year's Christmas Concert was presented as a combined effort by the band, chorus, and orchestra. The show was a big success as well as a nice way to begin the holidays.

FACULTY FROLICS

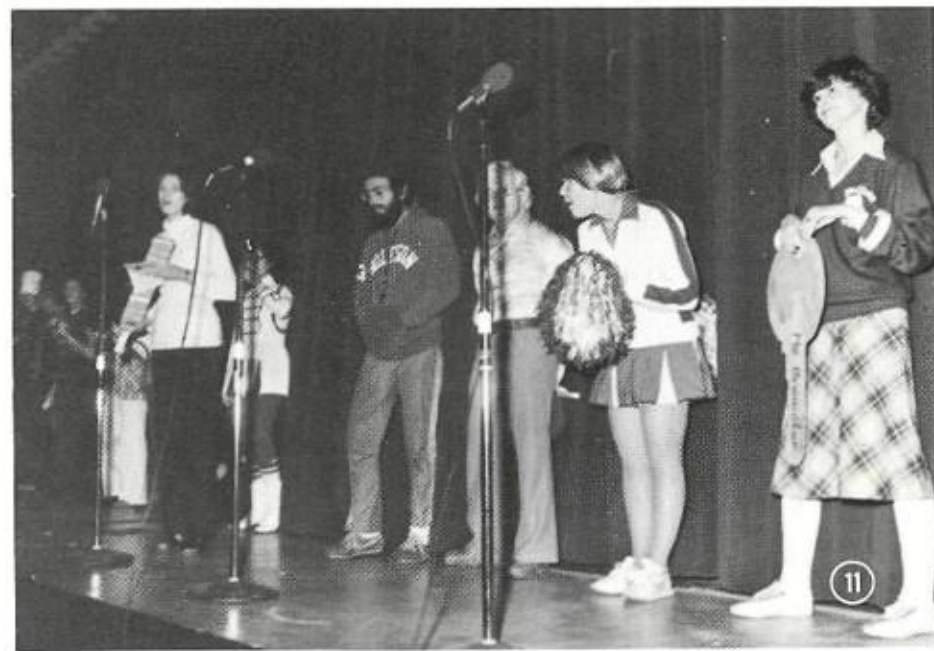

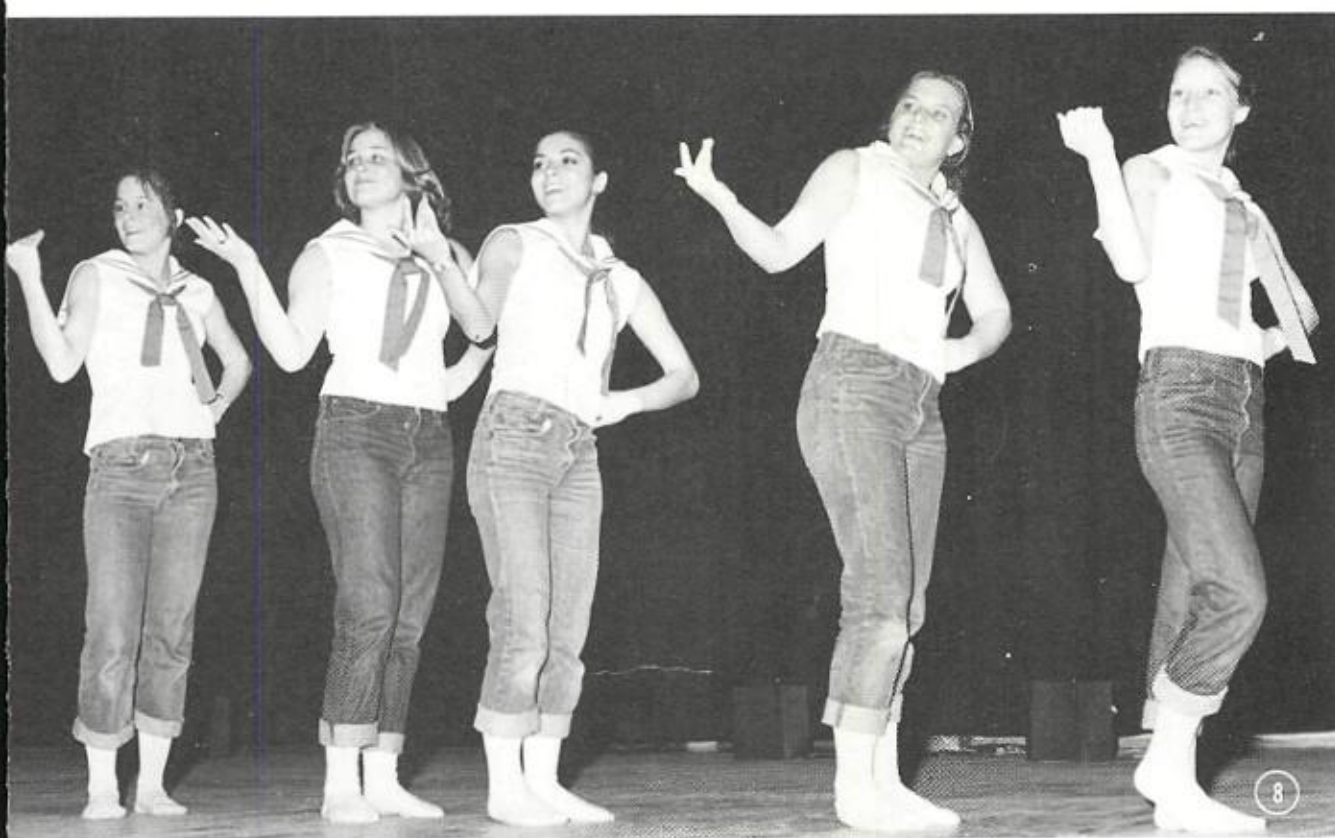

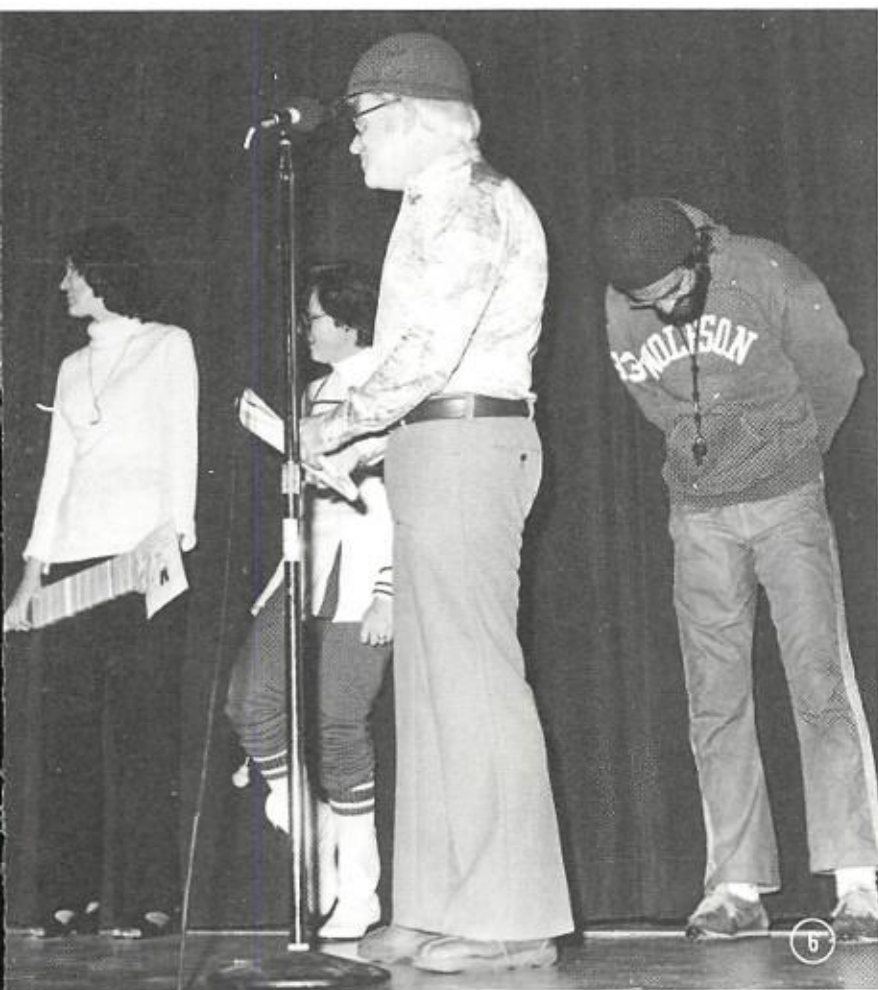

Where were you on the night of February ninth? Well, if you weren't in the Wolfson auditorium, you missed it. Missed what you ask? Why the annual Faculty Frolics show, of course! Yes, once again the students and faculty got it together and put on a fantastic show!

The students displayed many talents, ranging from song and dance to (unknown) comedy. The faculty's talents included a solo from our band director, Mr. Brooks, Tennis Tips by Mr. Schiff and a humorous skit performed by all.

The show was thoroughly enjoyed by all!

THE THRILL OF VICTORY.....

.....THE AGONY OF DEFEAT

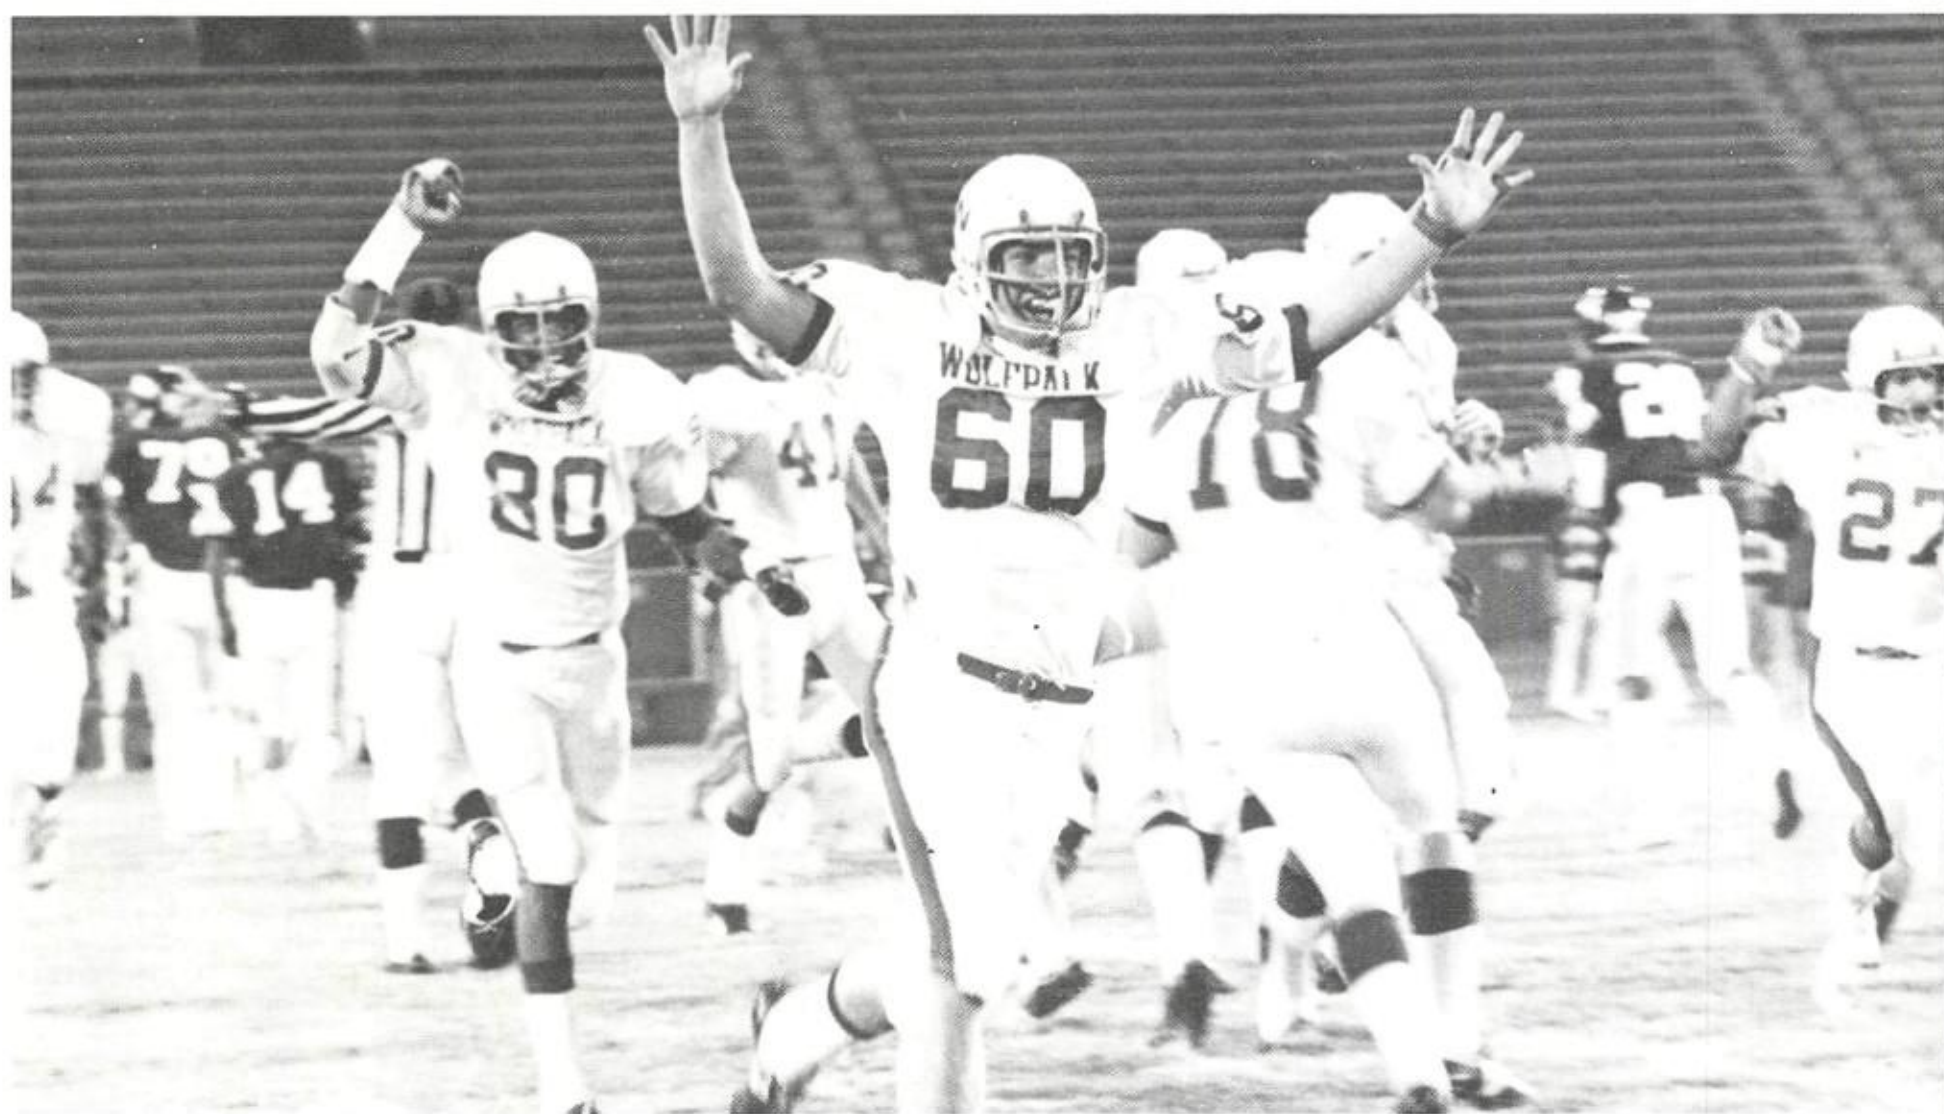

The Wolfson Wolfpack tasted defeat after this game. We took a hard fall, but we were ready for a strong comeback. Although the pack did suffer this loss, they went down fighting. The final score of the Raines game was 13-0 and the final score of the Forrest game was 36-3.

Wolfson was overpowered in their fight against the Generals of Lee. After a hard fought game, the final score was 34-14.

When the mighty Wolfson Wolfpack went up against the Jackson Tigers they again tasted defeat. The final score was 26-6, with Mike Hewell scoring the only touchdown for the Wolfpack.

6 BITS A DOLLAR!!!

This year's J.V. Cheerleaders looked outstanding when they cheered for our J.V. boys. They kept the spirit high, with smiling faces, and Wolfpack chants. Next year's Varsity Cheerleading squad has a lot to look forward to, 'cause some great girls are movin' up.

MOV'IN ON UP!

The Varsity Basketball team enjoyed a very successful season. The Wolfpack ended up 9-3 in their conference. This was the best conference record the Wolfpack has enjoyed in five years. By scoring 90 points against Fletcher, this year's basketball team broke the all time scoring record for a single game. The Wolfpack was led by four high scoring seniors headed by David Setzler, Roger Highcove, Barry Gibbs, and Stephen Sprigle. Helped by a strong bench, the Wolfpack produced many exciting victories.

BASKETBALL BONANZA

This year's Basketball Bonanza was a new experience and a first for Wolfson. During the week many festivities such as Hawaiian-Beach Day, the student-faculty basketball game, and all other activities helped to prepare for the final game against Terry Parker. During the half-time entertainment, Randy Morris, escorted by Kathy Van Til was crowned the 1977-1978 Basketball Bonanza King.

The Junior Varsity Wolfpack also enjoyed a successful season. Under the direction of their new head coach James Brooks, the J.V. Wolfpack produced. Probably the most memorable of this was a late season 76-74 victory over highly rated Technical. With these young players the Wolfpack should be able to continue their winning records in the future.

THESE GIRLS OUTSHOOT

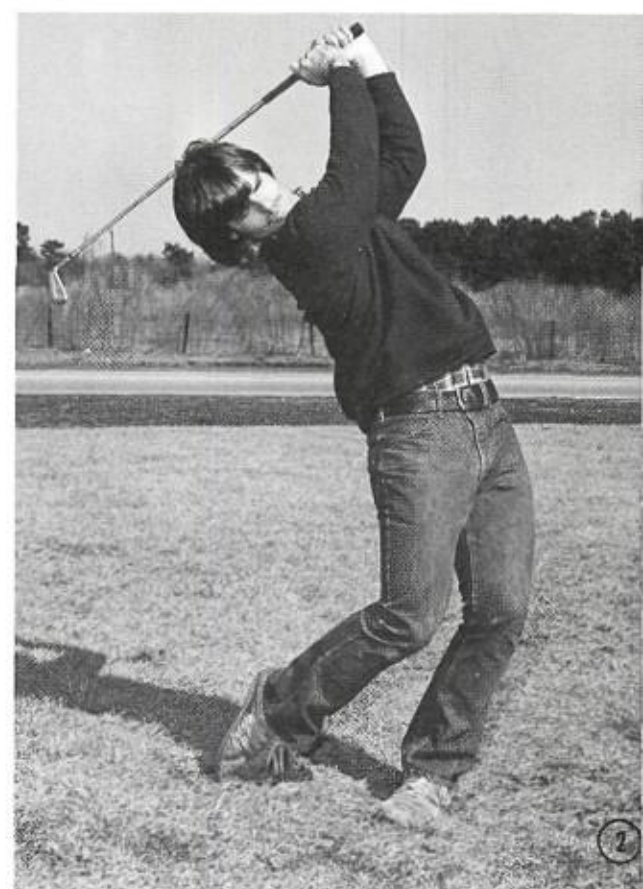

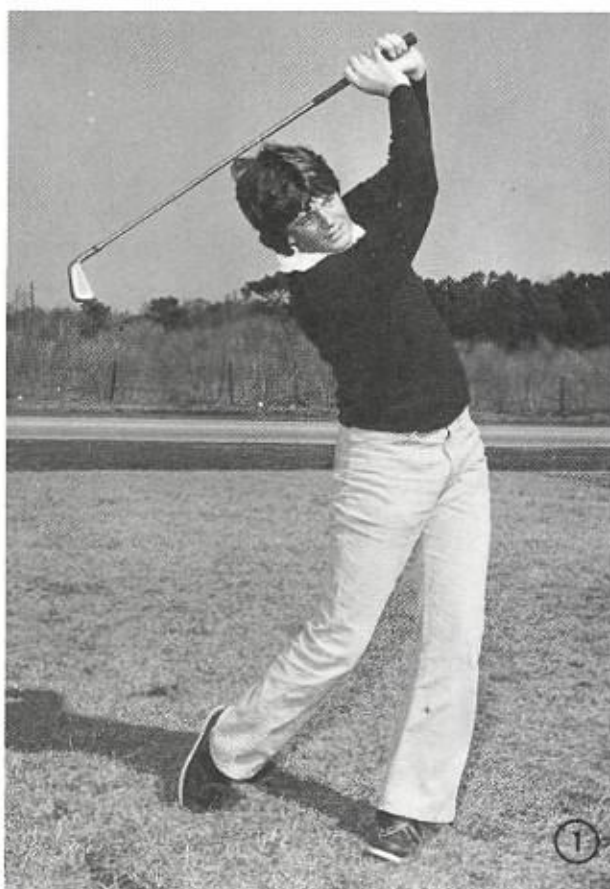

THEIR OPPONENTS

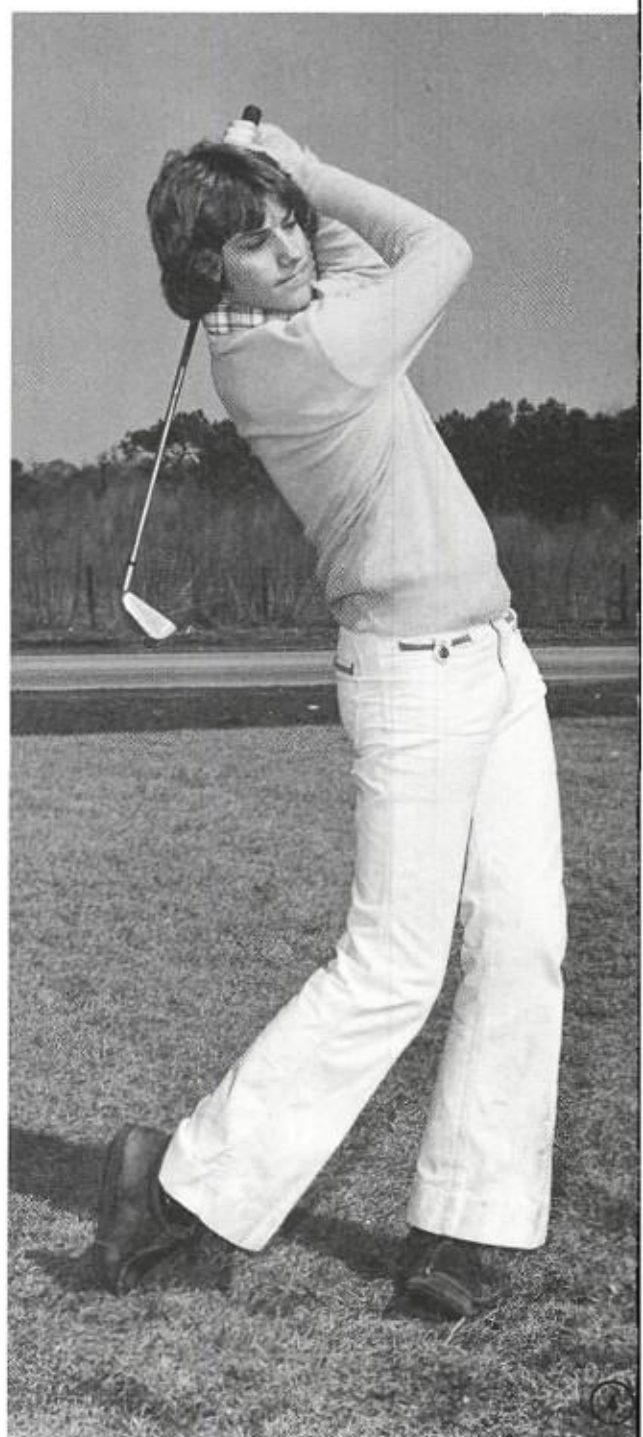

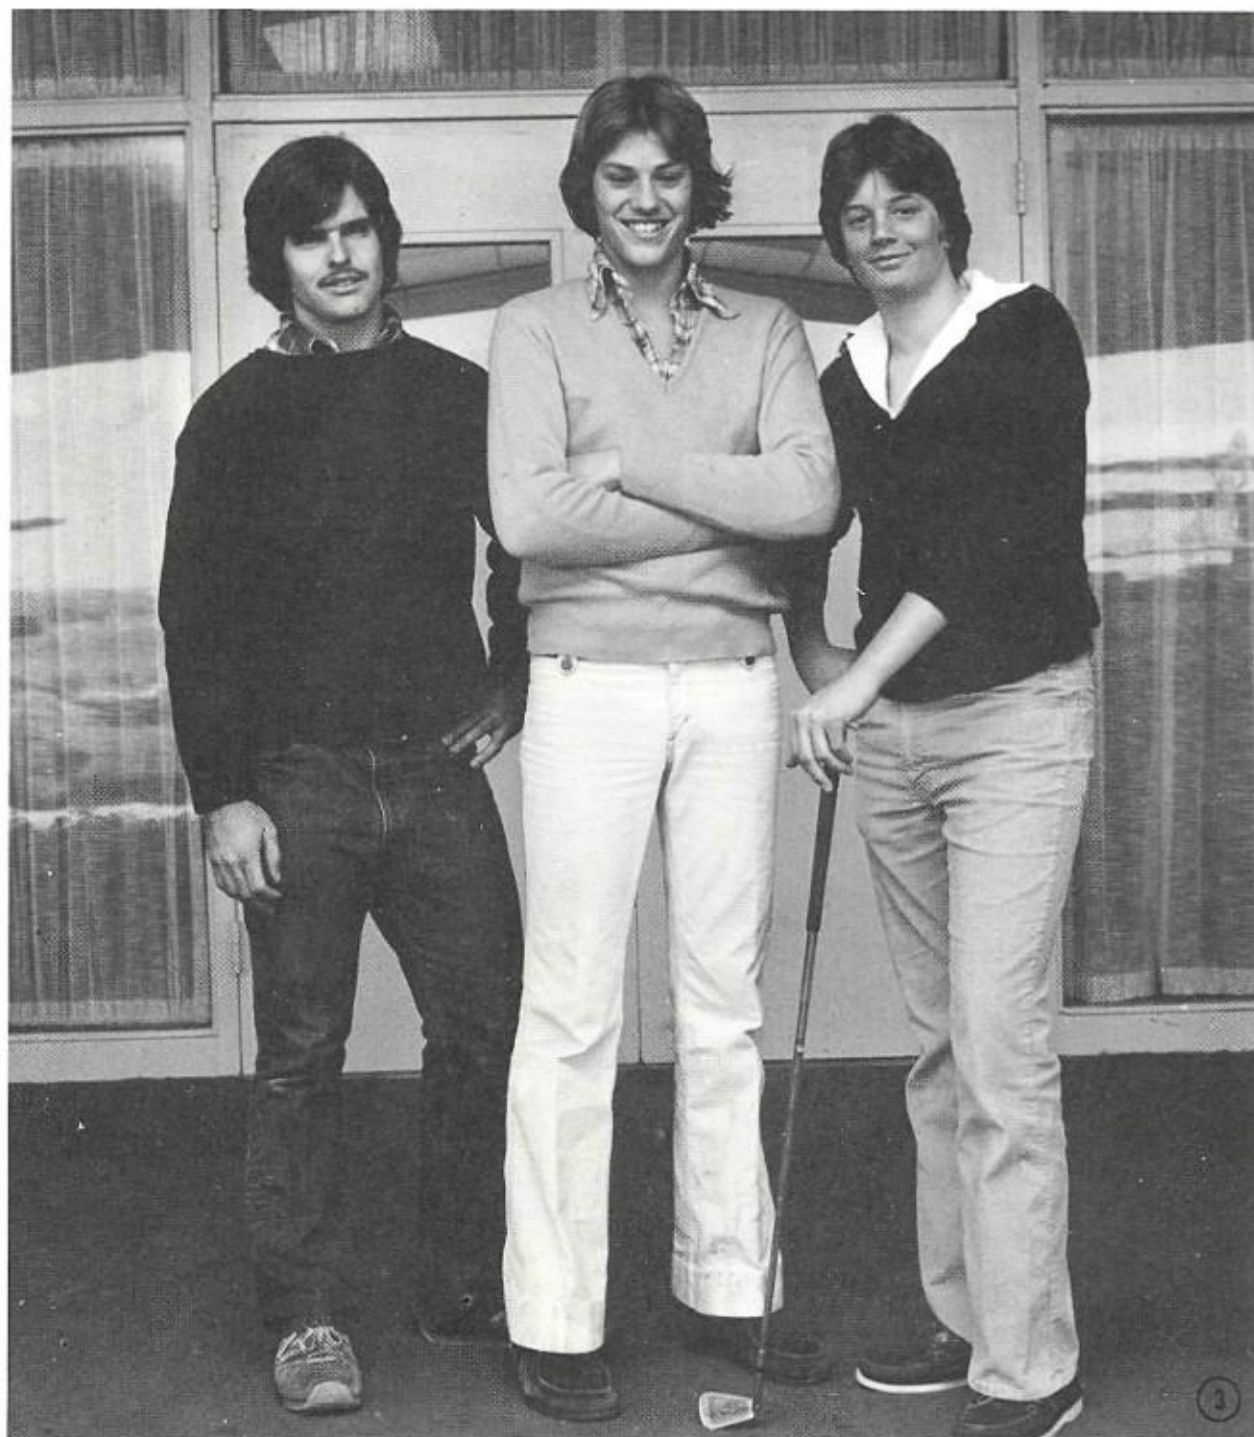

The Golf Team at Wolfson has had many successful seasons, but this was the best. Wolfson's Golf team is known for "keeping up to par." It takes a tremendous amount of hard work to maintain the high standards, but the golf team managed to do so. The Golf team does not receive much recognition, but their past record shows, they not only merit the little attention they receive, but much more.

WE'RE REALLY UP TO PAR!!

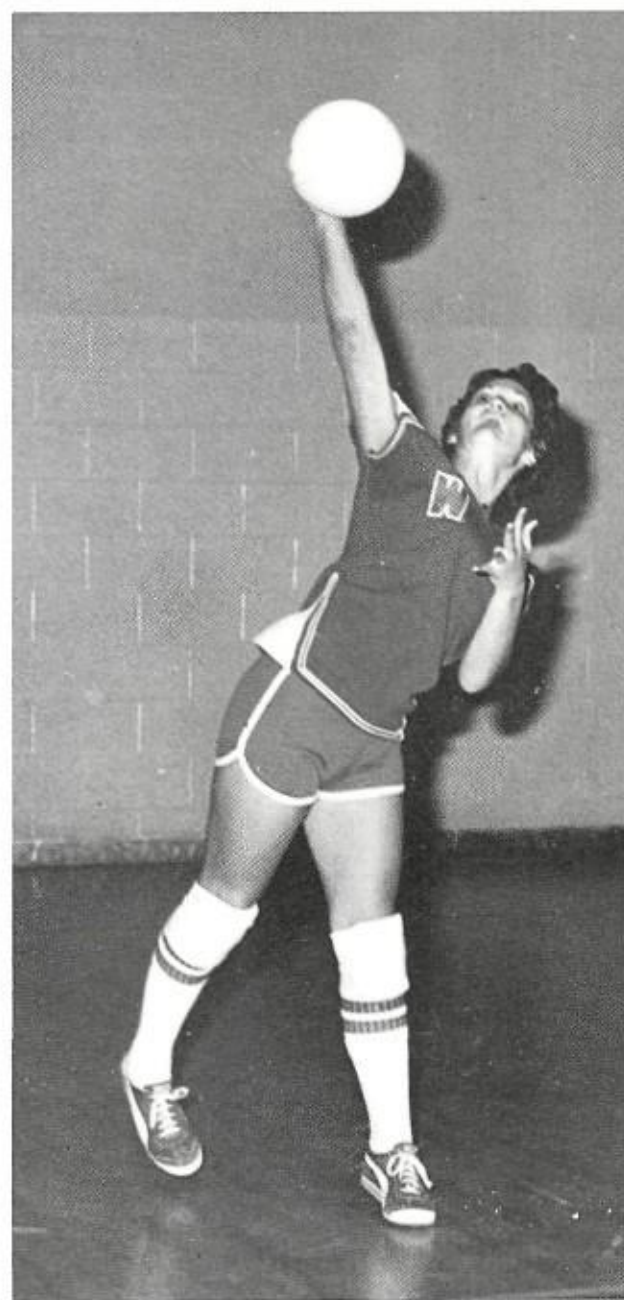

THEY REALLY "SPIKE"

The 1977-78 girls volleyball team played a very strenuous fifteen match schedule. Many matches went into overtime, yet the girls just could not seem to put it together. They ended the season with a 1-15 record. Most of the team were sophomores led by Captains Cindy Long and Elizabeth Forbell. The girls gained valuable experience playing in a very tough Gateway Conference.

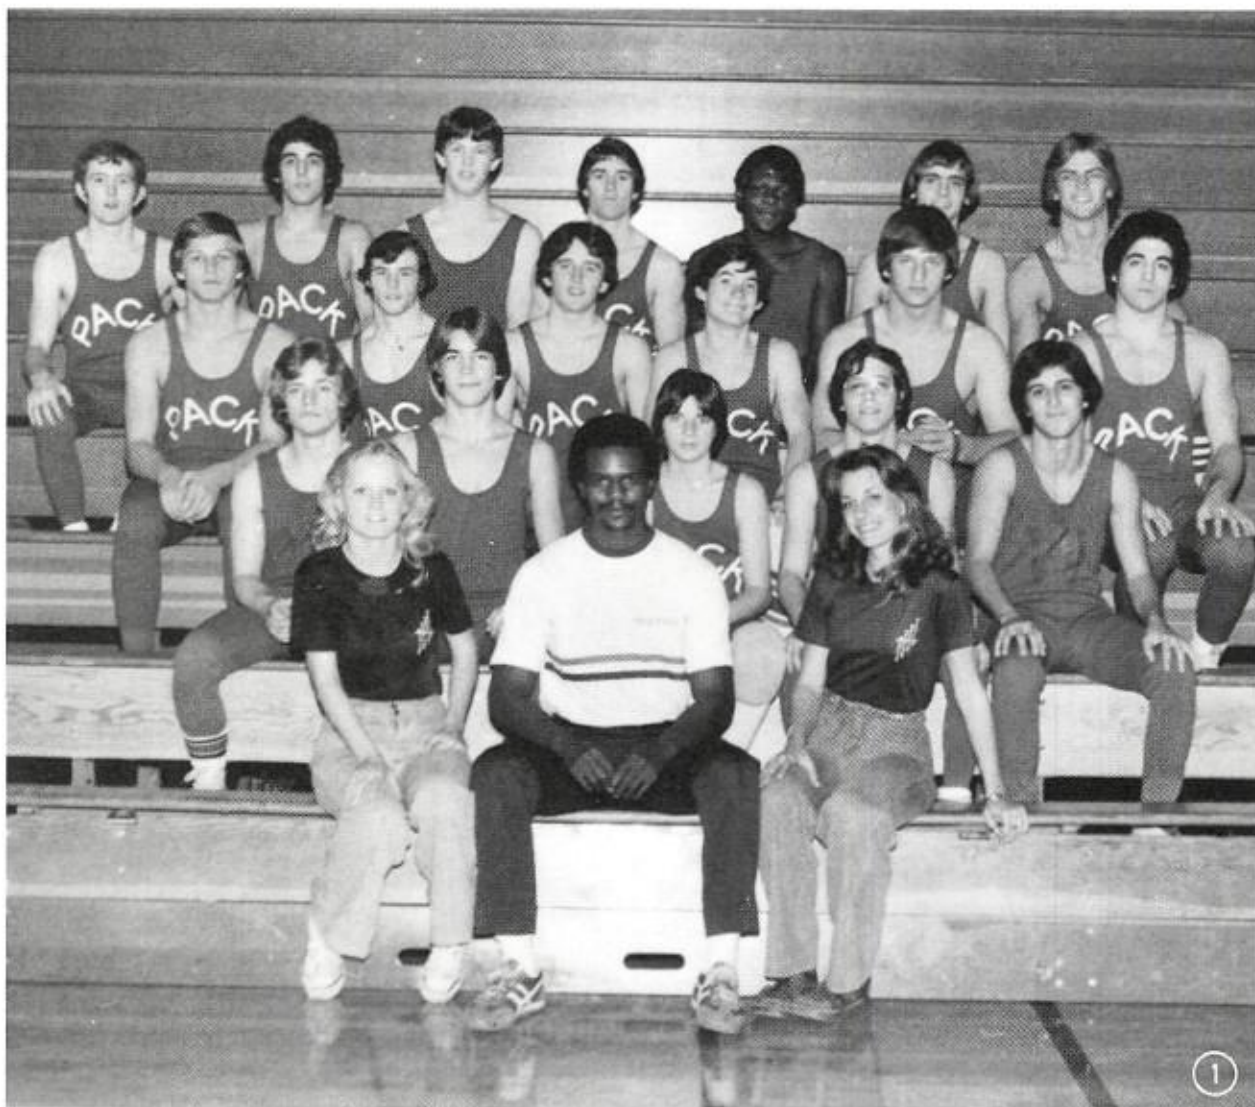

THEIR OPPONENTS

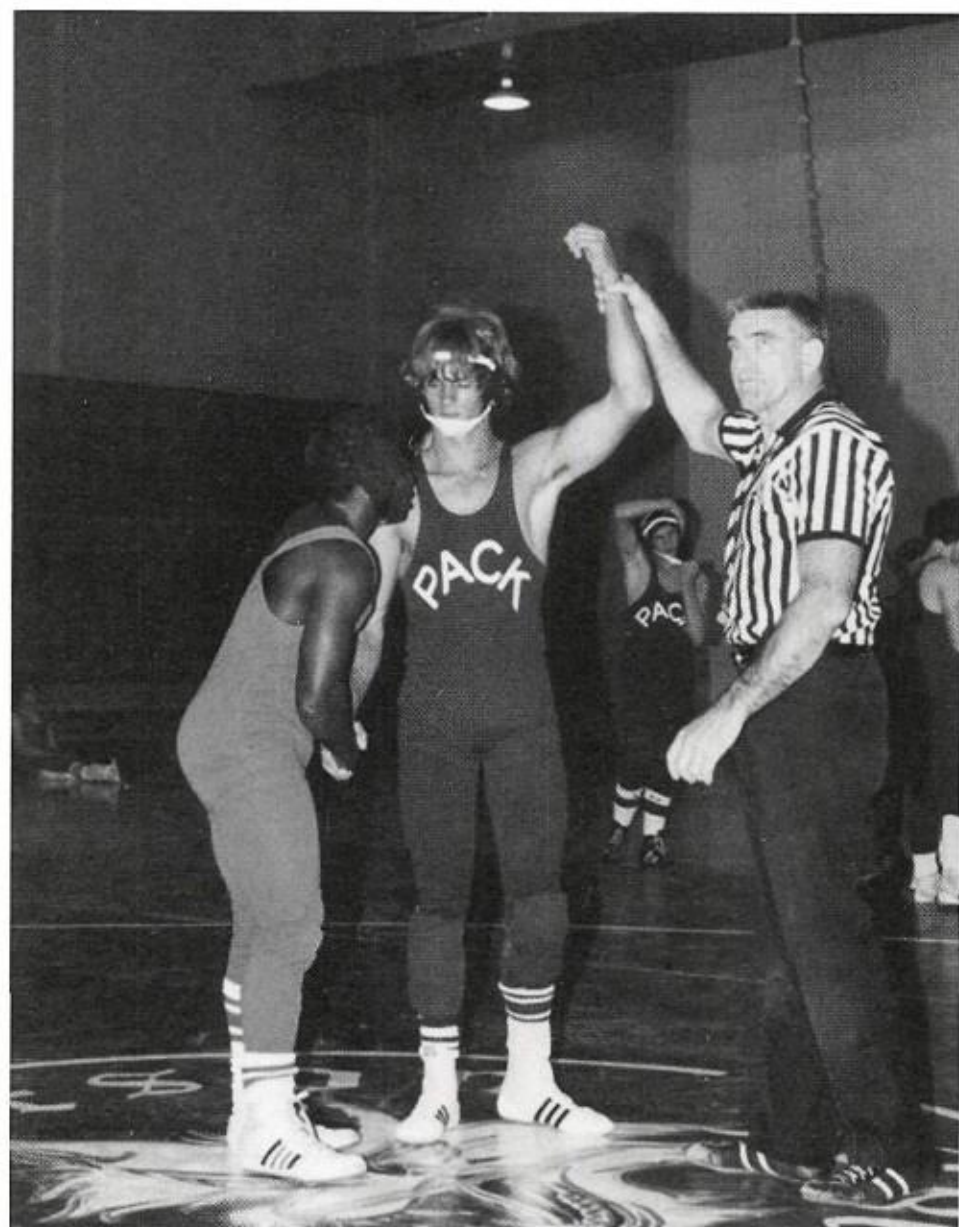

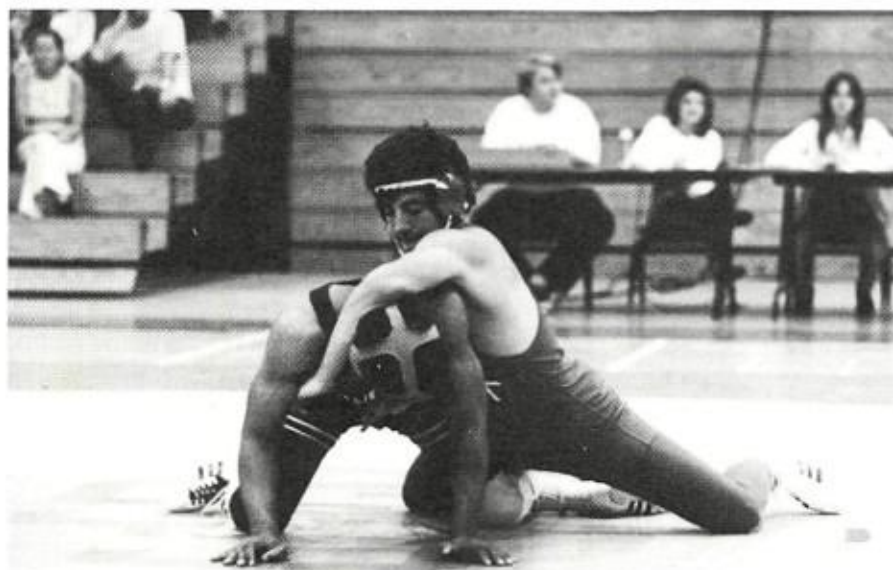

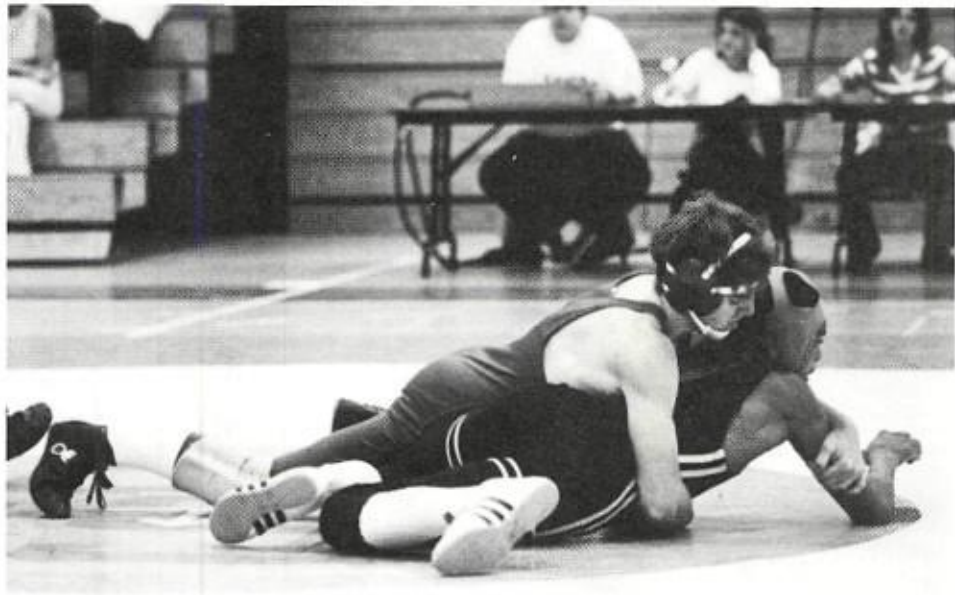

The wrestling team had a successful 7-6 record this season. They came in 2nd in their conference with four 1st places by Lindy Gottuso, Shannon Terry, Ruben Moss and William Harville. Billy Bell and Pat Saindon finished second. The team also placed sixth in the Orange Park Tournament in which sixteen schools competed.

WE SURE DON'T

HAVE PIN PALS!

Wolfson's newest varsity sport, soccer, is four years old. Led by Richard Gurney, one of the highest scorers in the county, Wolfson did well in the district play-offs. Despite the 3-1 loss to Episcopal the play-off game was the year's best team effort by the Pack.

SOCCER IS A KICK

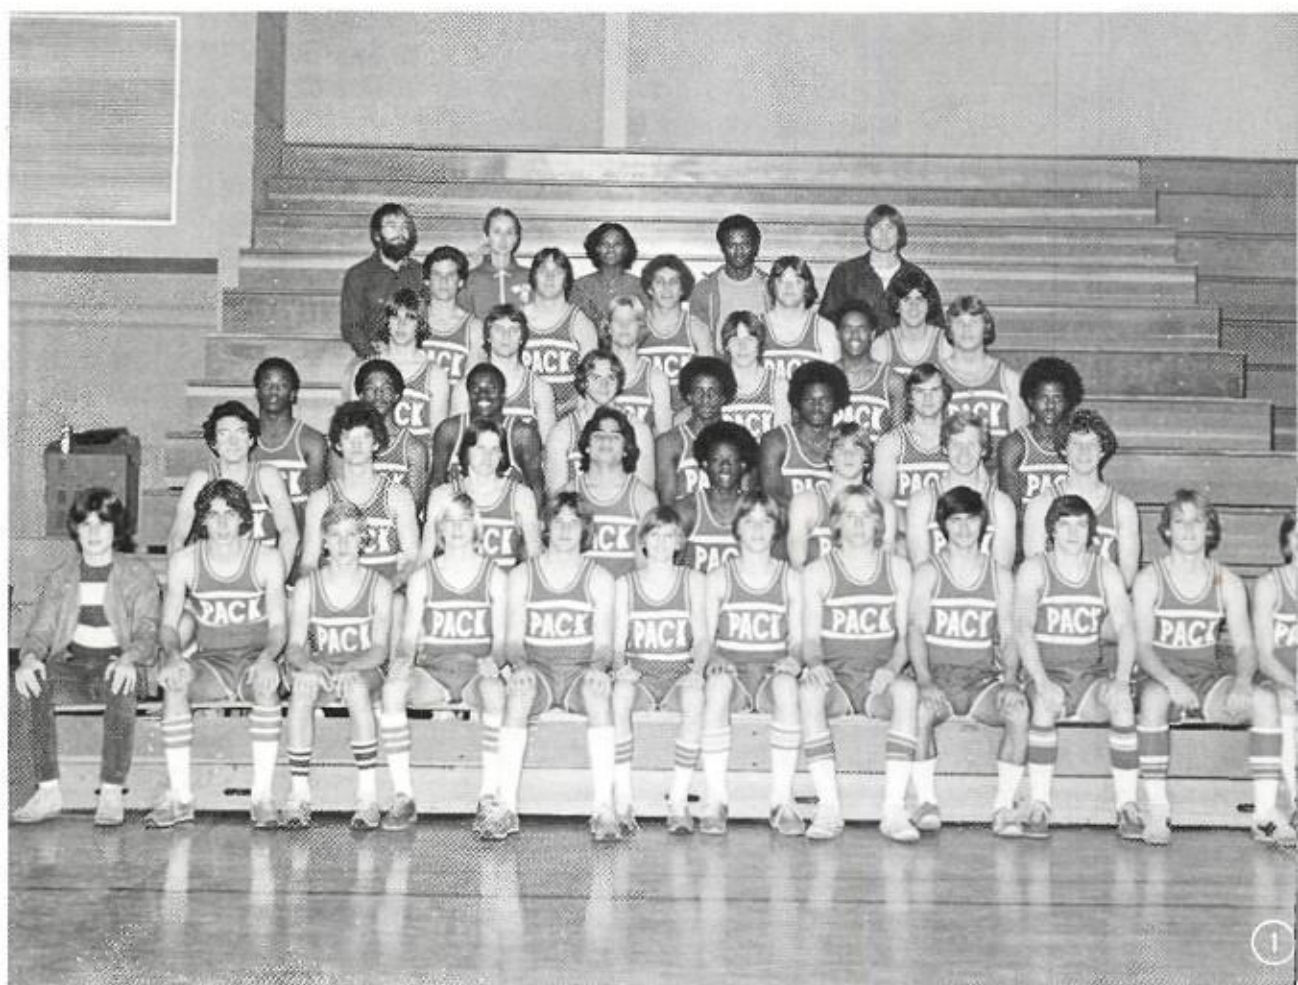

IN THE GRASS.

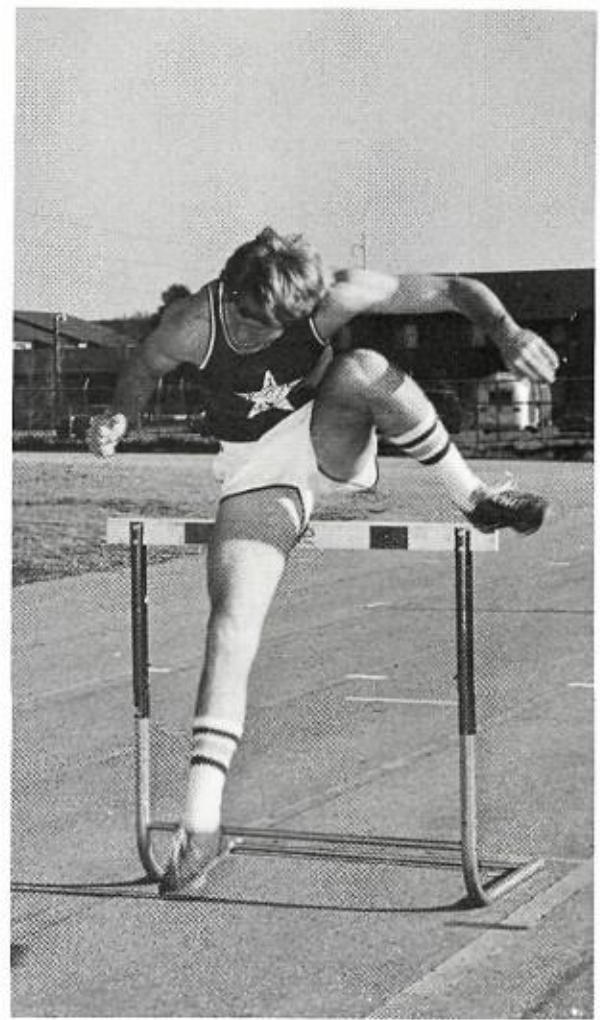

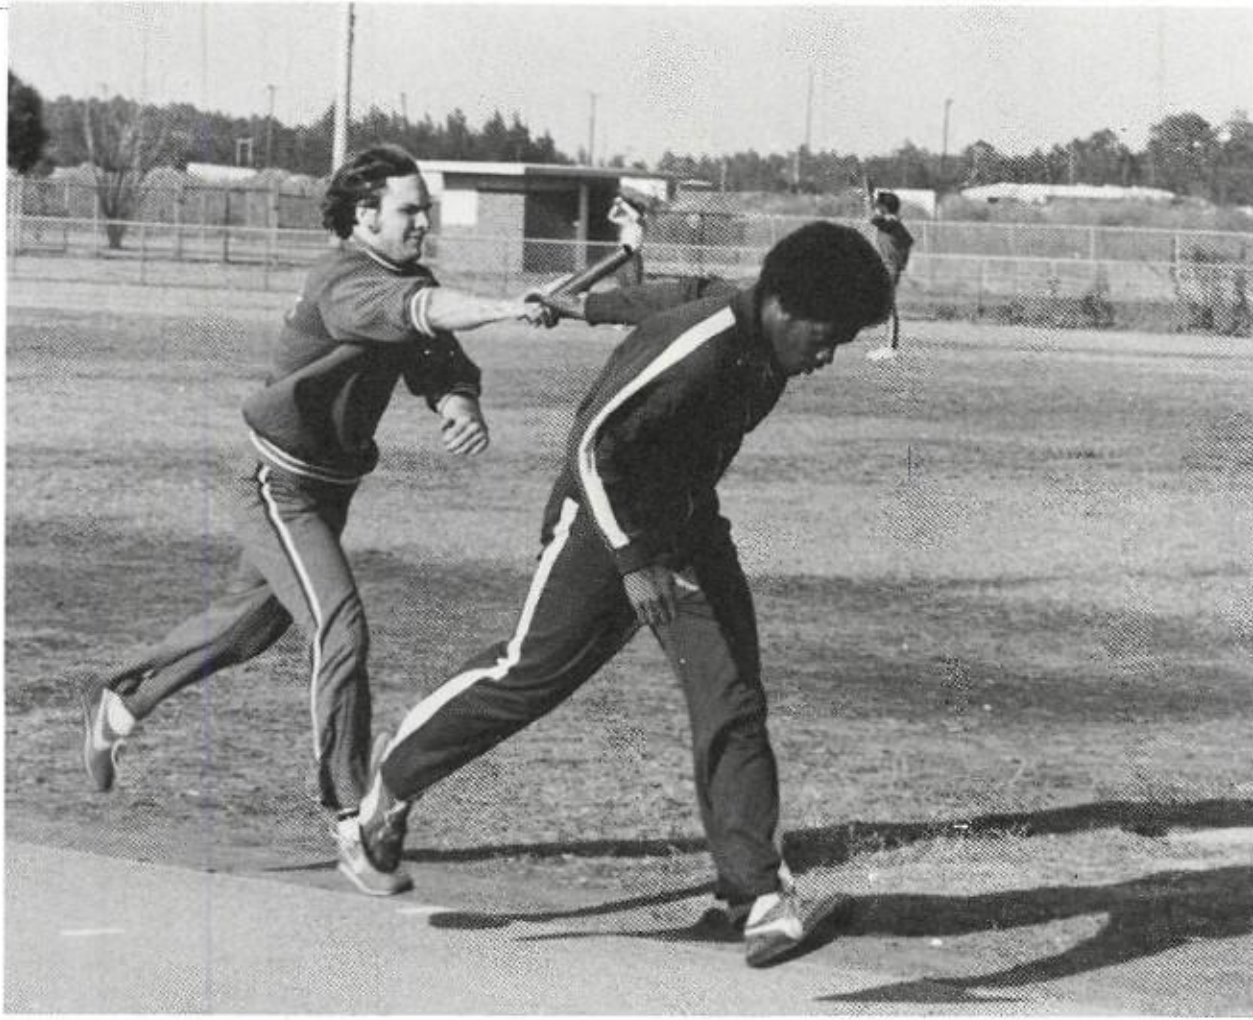

The 1978 Wolfpack track and field team opened practice in late November amidst unbound optimism. Coming off the "77" championship season with experienced and quality returns they anticipated adding region and State laurels to a successful defense of their Conference and District crowns. In a sport that is individually and team oriented the Pack appears to have the best of both worlds. The Pack appears to be well on its way to a star-studded 1978 campaign!

This year's Girls Track Team had some excellent athletes. Rose Bailey is a National Class Discus Thrower and is a definite contender for the state title. Resa Register is a good runner in the distance events while Linda Subda has potential as a middle distance runner. Valdrena Sheffield is at her best when jumping hurdles and running the 100 yard dash. Resa Register, Linda Subda, and Rose Bailey are sophomores and will be returning to the Wolfpack team next year.

GO !!!

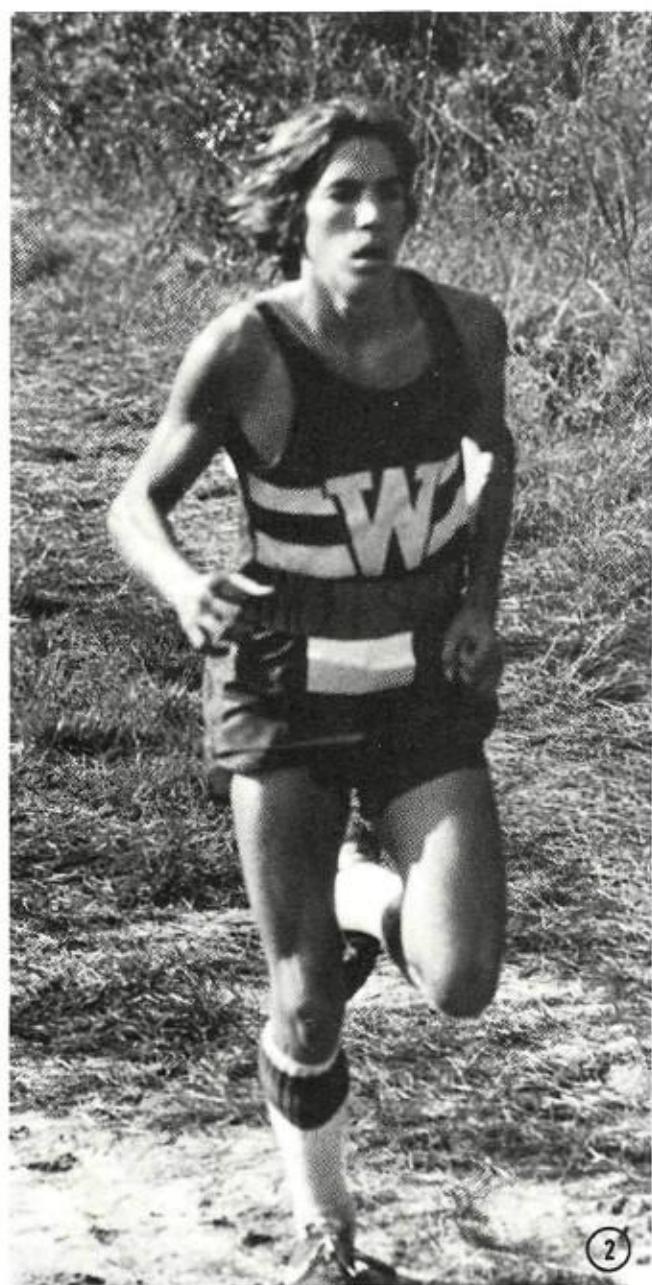

This year's Cross Country team, led by Coach Nowicki, was vastly improved over last year. The boys won 2 and lost 3 in the dual meets, while the girls finished with 4 wins and 1 loss. In the meet against our arch rival, Englewood, the girls won 22-33 while the boys defeated Englewood 15-47. The girls came in 4th in the Lee invitational and the boys came in 7th. Both the boys and girls suffered defeats in the Bishop Kenny meet. Our boys lost 32-23 and the girls lost by a forfeit. Most of the boys and all of the girls will be back next year with promises to be even better than this year.

YOU'RE SAFE!!!

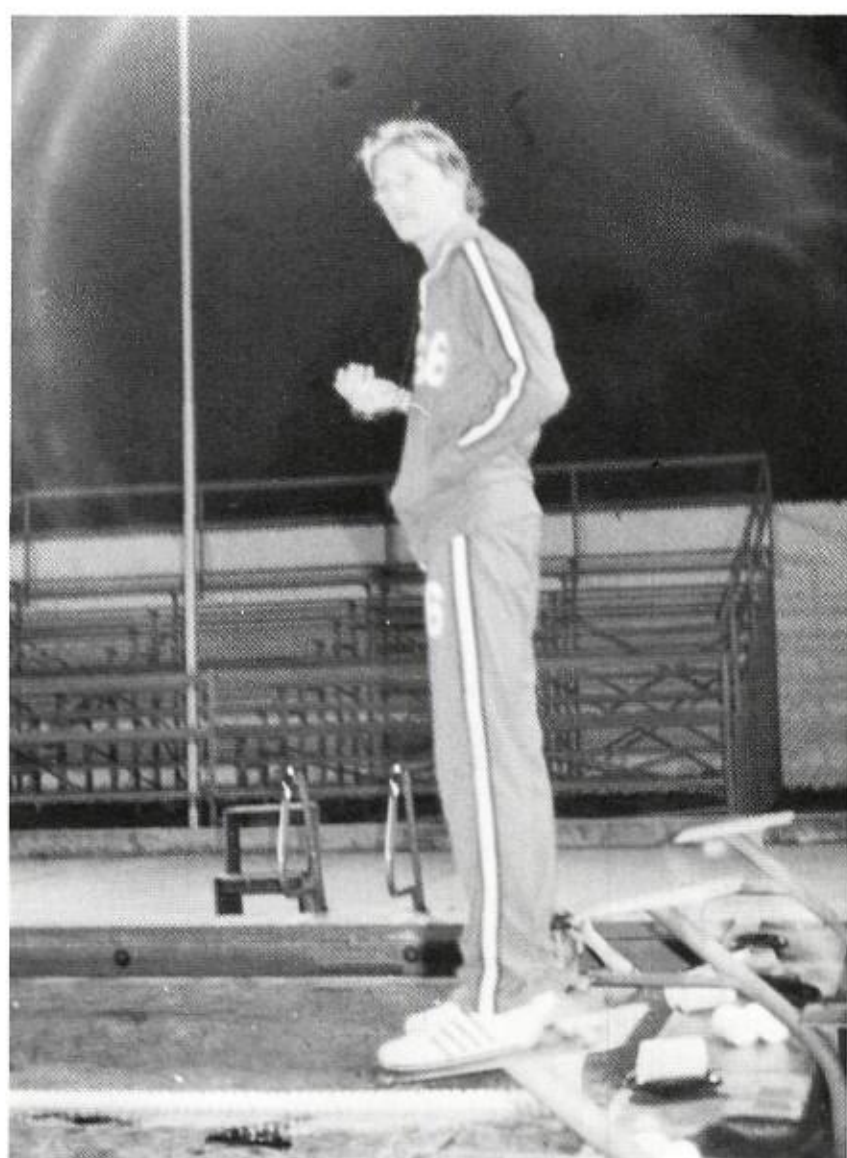

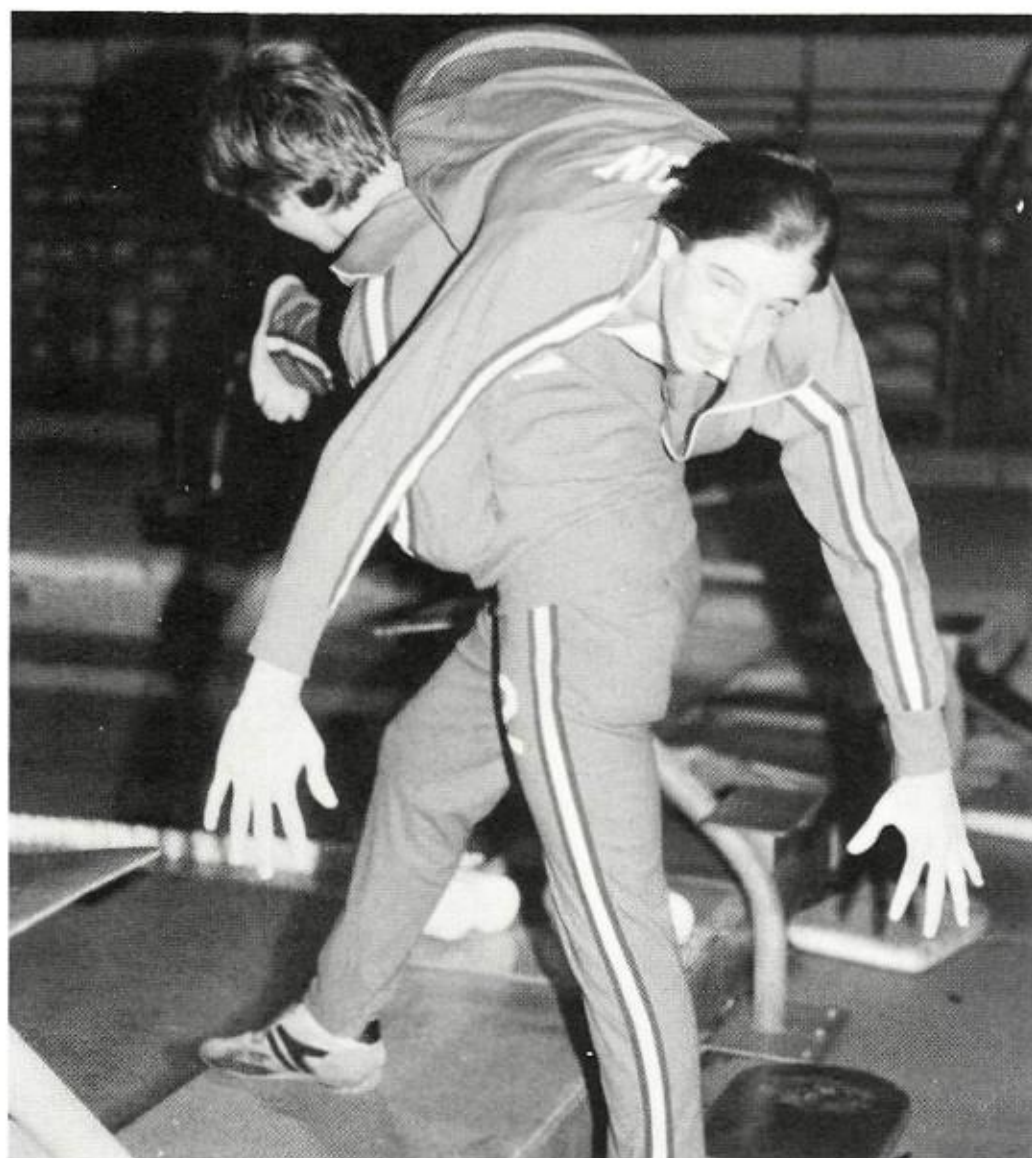

The swim team started practice early in the season and went right on through one of the "coldest" winters on record. Through endurance, dedication, pride, and extreme stamina they practiced on. The team sponsored the 2nd annual Wolfpack Swim in November, which helped the team raise about \$600.00 for new equipment. Through the season the team had high hopes of going to the state championships.

THEY WATCH THEIR CURVES!

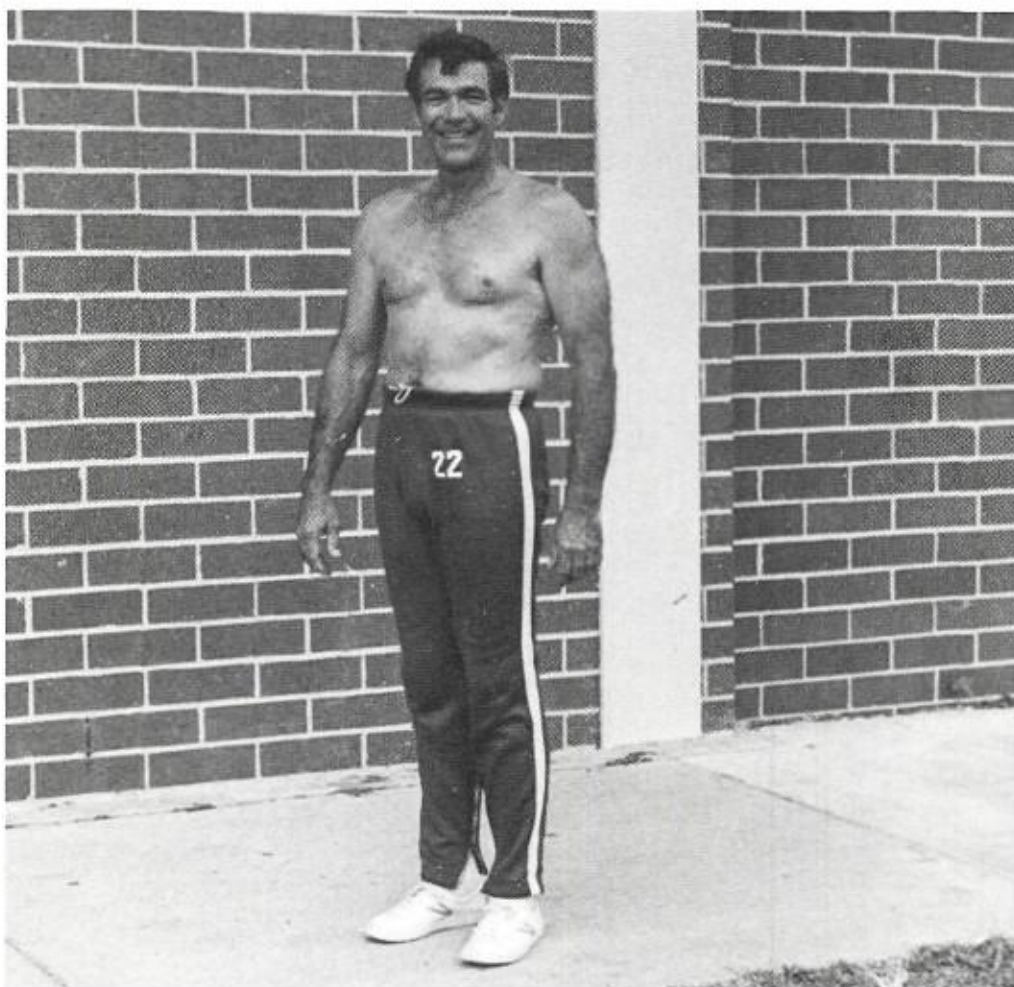

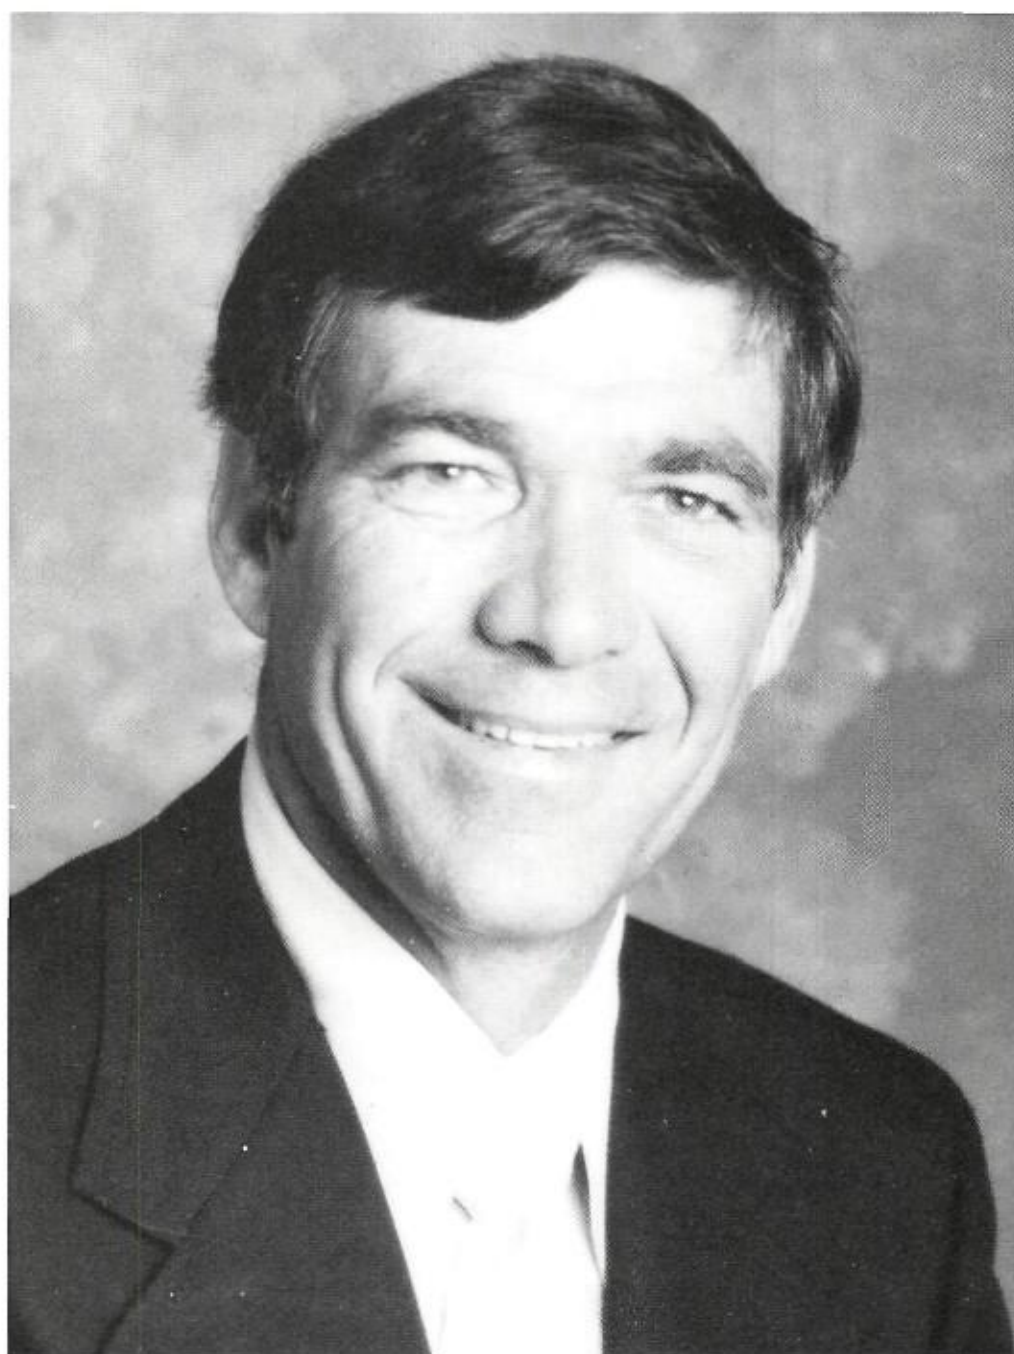

FACULTY

'BILLY' PARKER

The role of principal is a demanding one that requires perseverance and a deep sense of loyalty to the school. Mr. Parker exemplifies all these qualities and helps students to take pride in their school.

"Uncle Billy" is not only the principal, but a kind word and a friendly smile. His closeness to the students here is unique. Uncle Billy is regarded by many as a father figure whose instruction is not severe reprimand, but a sign of caring for his "family."

JEAN SMITH

Miss Smith, our assistant principal, is the silent first sergeant of Wolfson. Few students have an opportunity to talk with her, yet the duties she performs affect us all.

The most important duty of the assistant principal is that of filling out the FTE report. This provides Wolfson with all of the funds it needs to run efficiently. Though this is most important, it is certainly not the only job she performs. Miss Smith sees that all maintenance problems are taken care of and has conferences with parents and students. She also serves as a mediator between curriculum, guidance, and all teachers.

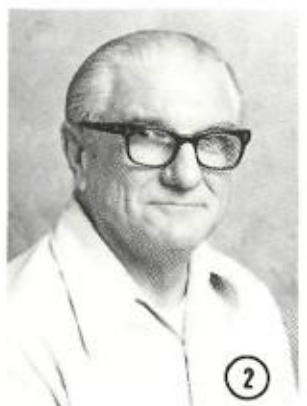

We owe a great debt of gratitude to the warm and friendly person of Miss Smith. Thank you Miss Smith.

DEANS

The Deans' office is always a busy one. Here, much of the school's discipline is rendered, and many problems are "ironed out." Amidst the hustle and bustle of the "tardies" coming in and the "excused" going out, the Deans are always available to lend a helping hand and to offer a friendly word.

ANCHOR

"ARCHER?!!"

Although the jerseys look as if they say "Archer", Anchor is still known as a top girls service club at Wolfson. Every girl in Anchor has at least a 3.0 average, for Anchor women are known for their good academic standing. This year was the first year that Anchor sponsored the "Mr. Sexy Legs" contest during homecoming week. Service projects included helping at the Leukemia Society, giving the Girls Club parties, wrapping for cancer, and doing special deeds for the teachers. Anchor was a participant in float and banner contests also. Although the club is not known for its parties, surprise dinners, movies, and football games, in addition to service projects, make Anchor fun.

BAND

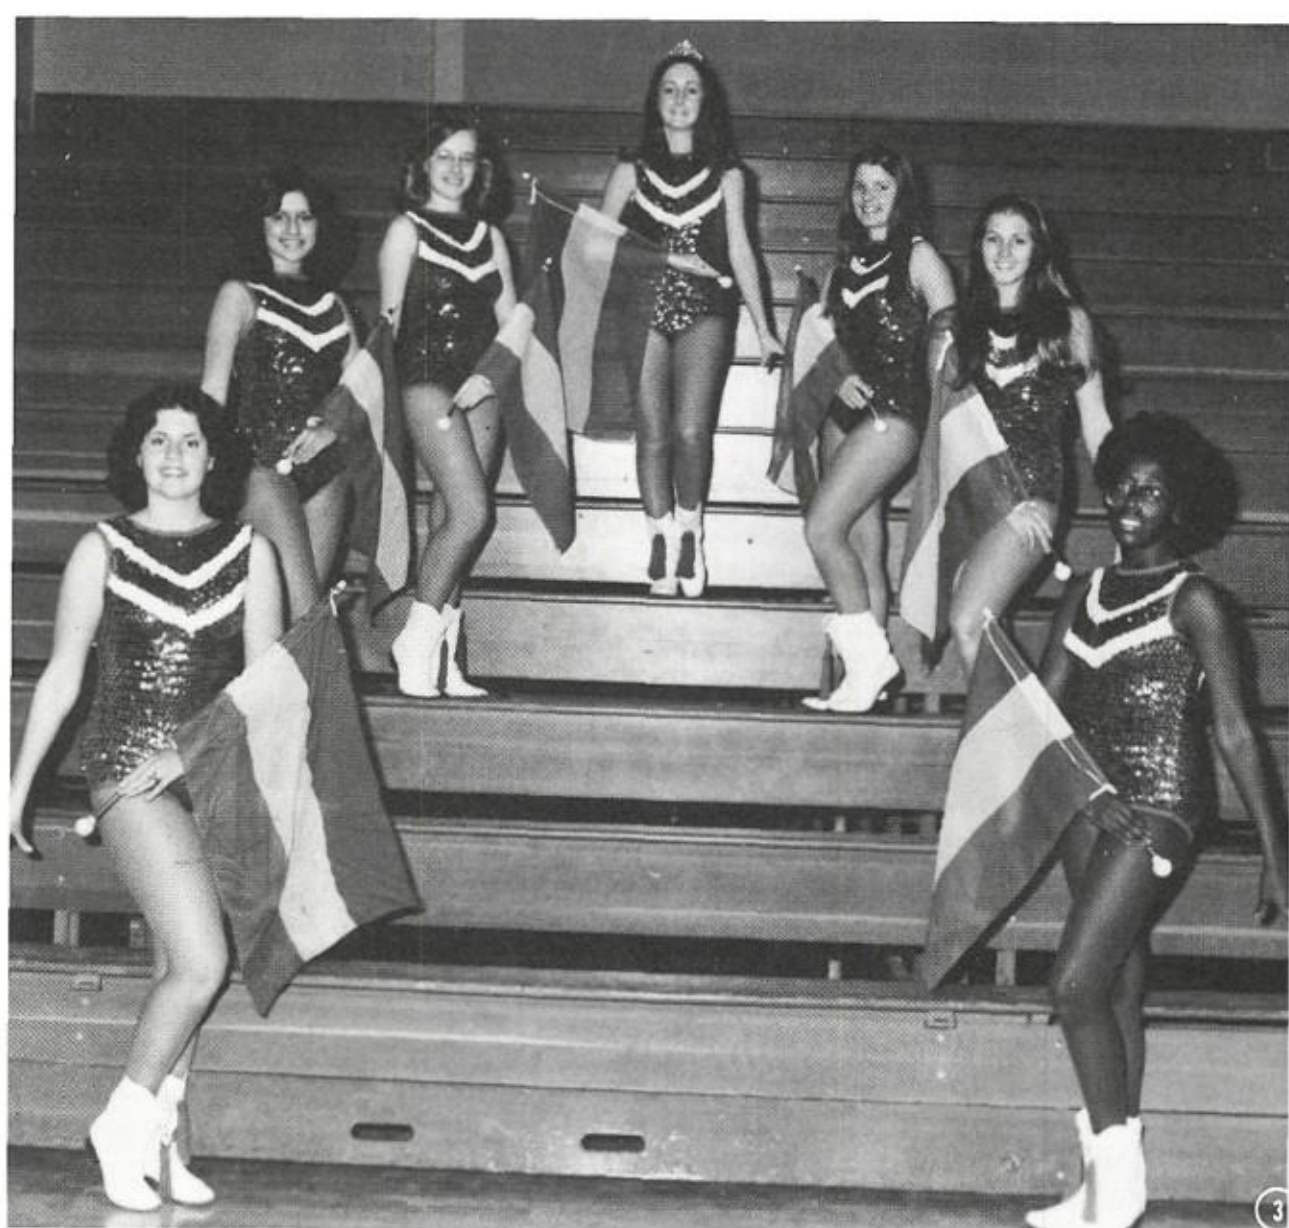

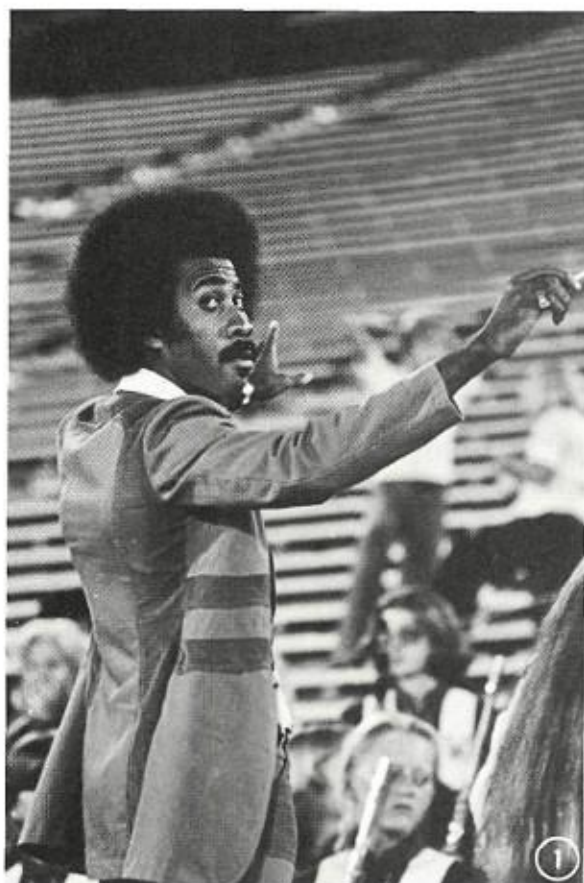

WE DON'T JUST PLAY AROUND!

SUPERIOR! This is the only word which describes our band's playing. At marching contest in November, they marched to the tune of "NEW WORLD SYMPHONY" and brought home the highest rating possible. But there are other activities which help make our band superior: Band camp, pep rallies, marching shows, concerts, parades, flea markets, and an end of the year trip to finish up!

CHORUS

WE'RE IN TUNE

This year's Chorus was indeed an inspiration for all students here at Wolfson. The first show of the year, Choral Varieties, was a great success, and all the performances which followed pleased the audience equally well. The biggest event of the year was State Contest, and with superior thinking the Chorus did well. The Chorus is made up of hard working, dedicated students who have made Wolfson's Chorus the best in Duval County.

CIVINETTES

"SERVES OTHERS"

Whether they were trick-or-treating with the kids from the Children's Home, or roaming through the Hall of Terror, winning first place in the Float Contest, scrubbing desks, crowning "Mr. Irresistable", making their own pizza at Noble Romans, teaming up for a football or basketball game, or just getting together to have a crazy time - Civinettes managed to take part in and create a lot of unique activities this year.

The best part of it all is that they survived to tell about serving others. Civinettes' motto says it all, "Those who bring sunshine into the lives of others cannot help but keep it from themselves".

EBONY EBONETTES INSTILLS PRIDE

Ebony Ebonette's main purposes are to create a sense of pride and dignity among our fellow students, to work and to walk together as brothers and sisters, to protect and love all.

The Ebony Ebonettes visited the Alhambra Dinner Club, where they saw the Broadway production of South Pacific. Some of the other things they did was visit the children's ward at Hope Haven Hospital and sponsored a flower sale on Valentine's Day. This year Ebony Ebonettes presented Samuel Wolfson Library with a 35 volume set of Black Heritage Encyclopedias. On top of all these busy activities, Ebony had the time to participate in the "Help someone learn to read" Program.

GUSTO

"GO FOR THE GUSTO!"

Gusto was a new club at Wolfson this year. It consisted of thirty junior and senior girls who all have one thing in common, "FUN," so they all agreed that the most expressive motto for the club would be "Go For The Gusto!"

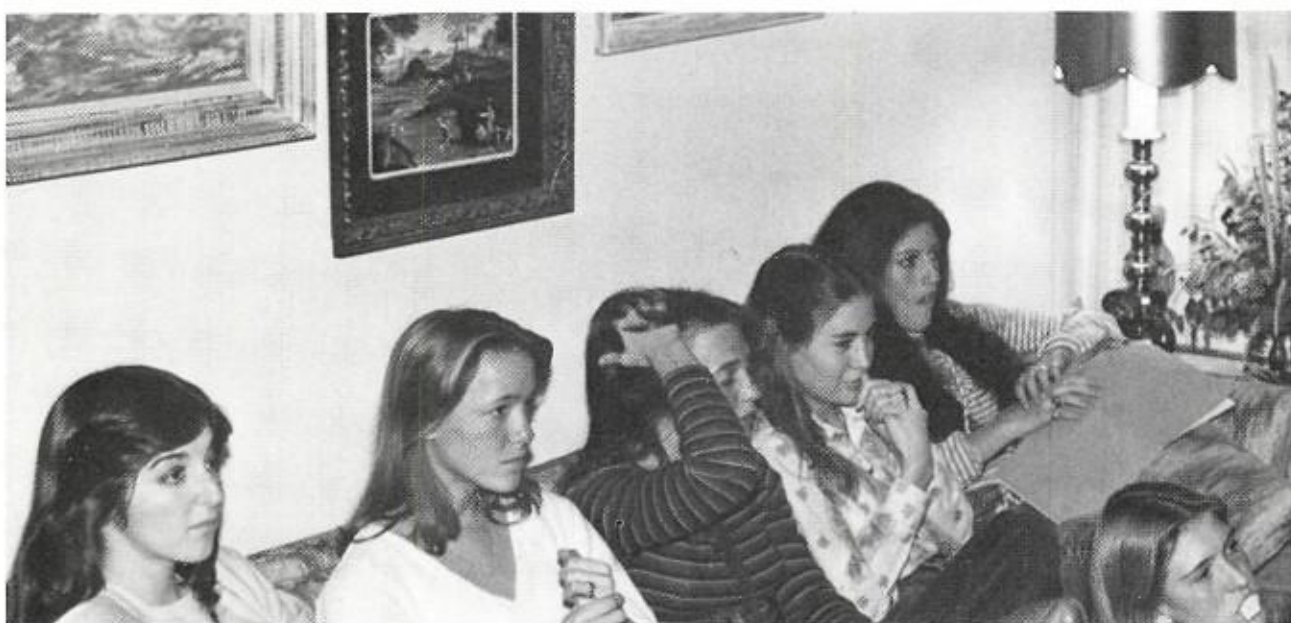

Being a new club, things didn't get rolling as early as planned, but they pulled through in time for Homecoming and won first place on the banner they worked on so hard.

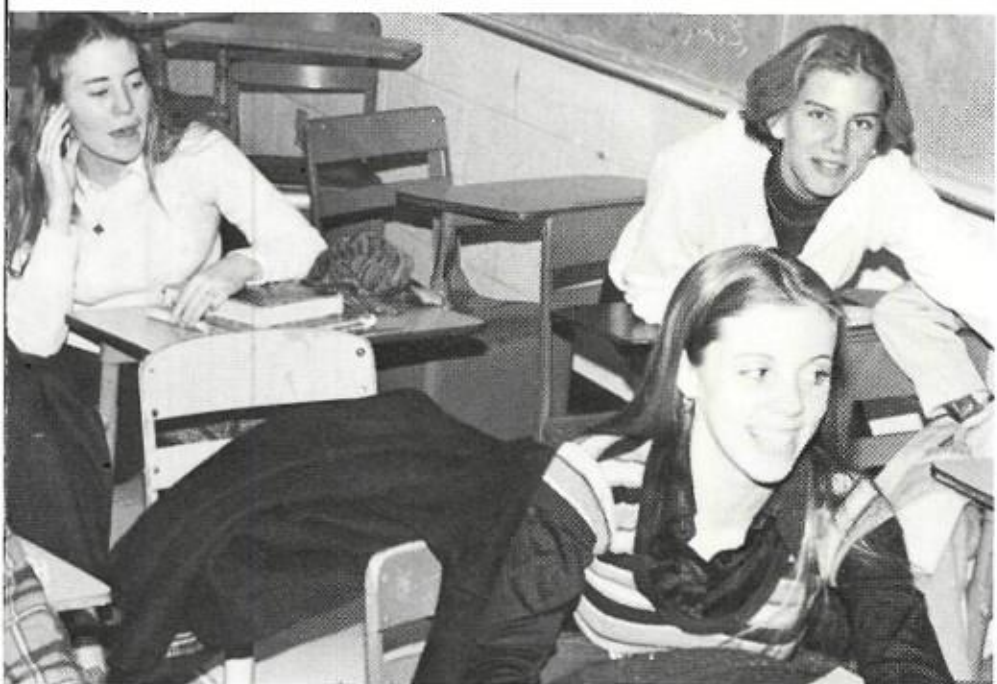

Deciding upon only two mascots was difficult, but finally Pat Finley, and Richard Ussery were chosen.

Instead of the routine banquet at the end of the year, these girls planned a weekend camp out, which turned out to be very exciting!

Surely the new members next year will have as much fun as the old ones did this year.

INTERACT

SERVICE ABOVE SELF

Interact succeeded in keeping active throughout the year. They involved themselves in Homecoming this year by sponsoring the annual Float Contest and coaching the junior and senior Powder Puff Football game. They continuously gave their time by painting and wall-papering the waiting room at the Jacksonville Children's Hospital, wrapping Christmas packages at Regency Square for the Cancer Society, delivering the annual goods to the Salvation Army at Christmas, sponsoring their foster child in Bali, and as a special service to the school, they painted Wolfson's first basketball roster for the gym.

J.S.A.

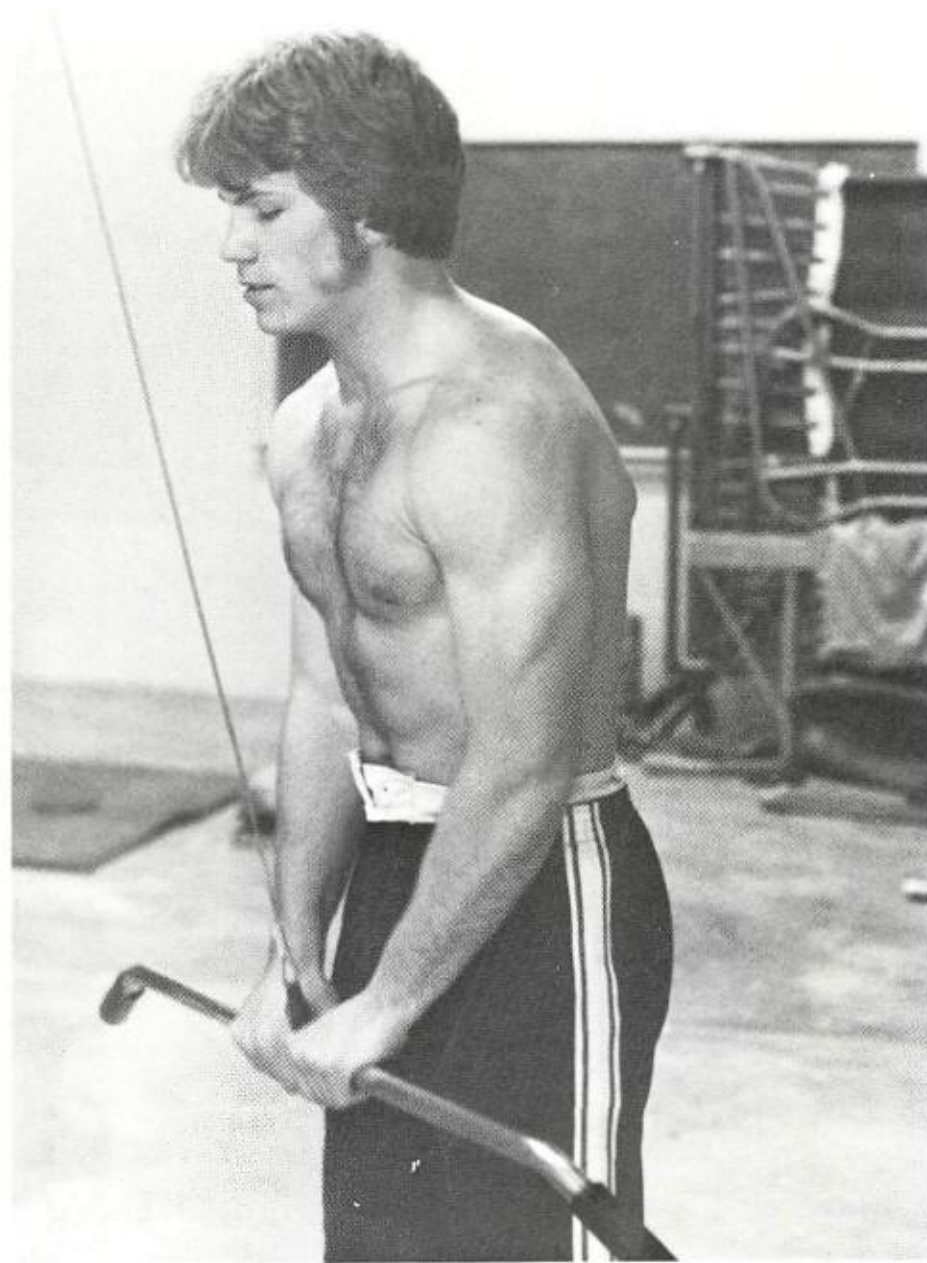

"J.S.A. BUILDS WOMEN"

Forty Junior and Senior W-O-M-E-N
 Their Alliance strong, full of rythmn.
 The time was set for 6:00 a.m.
 The surprise breakfast would begin.
 Jerry's Cafe was the place,
 But who over slept and got there late?
 The moon was full, the night was fun,
 J.S.A. and ALPHA were on the run.
 Their destination was Phillip's Mall,
 The haunted house was the best treat of all.

Homecoming then rolled around, and
 J.S.A. went to town.
 The dress up day was a big success,
 Chuck Smith wore jeans, did he forget?
 Mr. Ugly was next on the list, and
 Mikell Hewell did the trick.
 He stole the show and his costume won.
 He's the mascot that's full of fun.
 Twas the week before Christmas, with
 work done by all,
 The J.S.A. banquet turned into a ball
 Dinner and dancing into the night,
 It made the season fun alright.
 The time for service soon was here,
 They wrapped for cancer, with Interact
 near.
 The year was full, and went by fast,
 But those fond memories will last.

JR. GIRLS

WE'RE IN THE MIDDLE!

The Junior Girls had a great start this year by defeating the Senior Girls in a football game, 18-0. The members held several money raising projects, among them were a car wash, donut sale, and painting house addresses on streets. In addition to raising money for the club, members also helped in the community by visiting a retirement home, and to show their appreciation for Wolfson's teachers, placed a Christmas tree in the teacher's lounge for the holidays.

PAW PRINT MAKES NEWS

Paw Print reporters worked diligently, and as a result, this year's Paw Print staff increased their range of coverage, and at the same time added a personal dimension to the newspaper. By combining different resources with the talents of the staff, a wide spectrum of news, sports, and personal interest stories were incorporated into each issue. To use the full potential of the class, Mrs. Kathy Rawls, sponsor, advised the editor to direct the class in an independent atmosphere, stressing quality over quantity to make this year successful.

Preps, People Representing Every Part of Society, got off to a slow start this year, but as time progressed, so did Preps. As always, during the football season, Preps members encouraged the players by being their pals. Almost every week the player's locker's were decorated and filled with homemade cookies or candies. During the remainder of the year, in addition to several school and community projects, Preps had some special fun-like the skating party!

SENATE THE SENATORS ORGANIZE

Senate is a part of the Student Council where the most unorganizable events of Wolfson are organized. Those are namely Homecoming Week and Sophomore Orientation. They work hard to make teachers, parents, and students happy. Senate, you did a good job.

SR. FELLOWS

EVERY FRIDAY

The Senior Fellows this year dedicated themselves to having fun on their own, in addition to participating in various school activities. Realizing that they needed money for their fun, members held several car washes. The guys had a great time and made money too!

SR. GIRLS

"Oh! The Parties!"

The ball got rolling early for Senior Girls this year. They were determined to make their last year one to remember!

Their roast was held early but they got the pick of the litter, when Uncle Billy Parker was chosen honorary mascot.

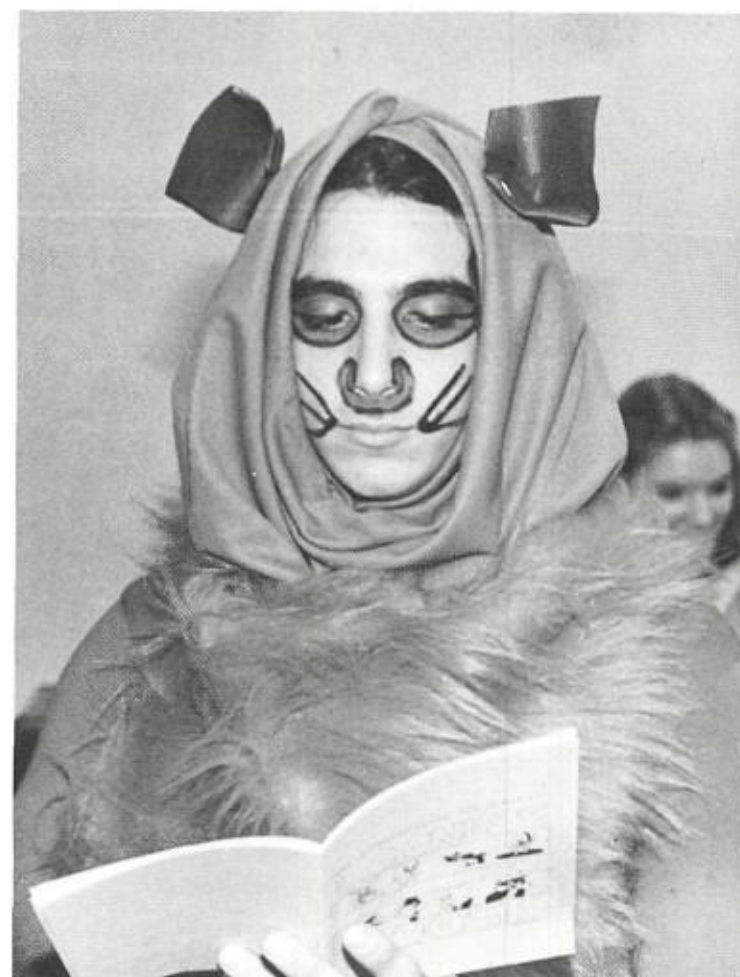

Meaning was brought back to the word "PARTY" and added to it by the seventy-eight senior women! The parties with Tau Tide and Sr. Fellows were a big success, and who could forget the "DISCO PARTY" held just for the SENIORS!

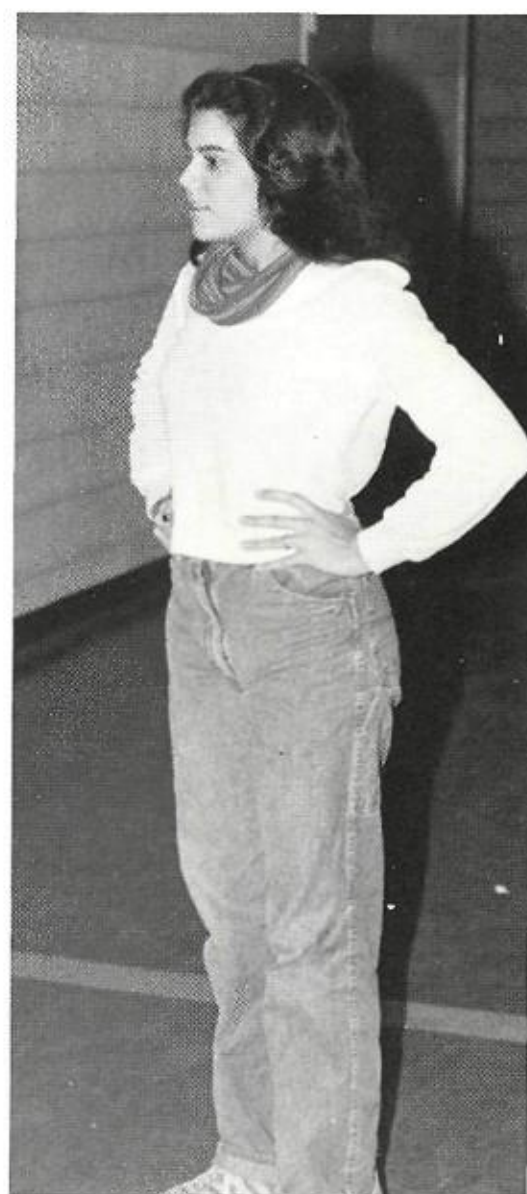

Senior Girls chopped and loaded wood for the annual "WOLF HOWL" held during Homecoming Week.

Sharing their Christmas Spirit with those less fortunate, a party was held for the children at Head Start.

The banquet at the end of the year was the best way possible to end the club. Senior Girls definitely had a F-A-N-T-A-S-T-I-C year!

SPANISH

"QUE PASA?"

This year's Spanish Club had a full and interesting year. The main fundraising activity was the Mr. Ugly contest. It was so successful that the club raised enough money to take two excursions to enrich their study of Spanish culture. Fun was combined with learning during the trip to St. Augustine in January. All agreed it was cold, but enjoyable. Later in the year, members found themselves in a small Spanish restaurant in Tampa and for fun and practice, spoke only Spanish!

WOLFGANG

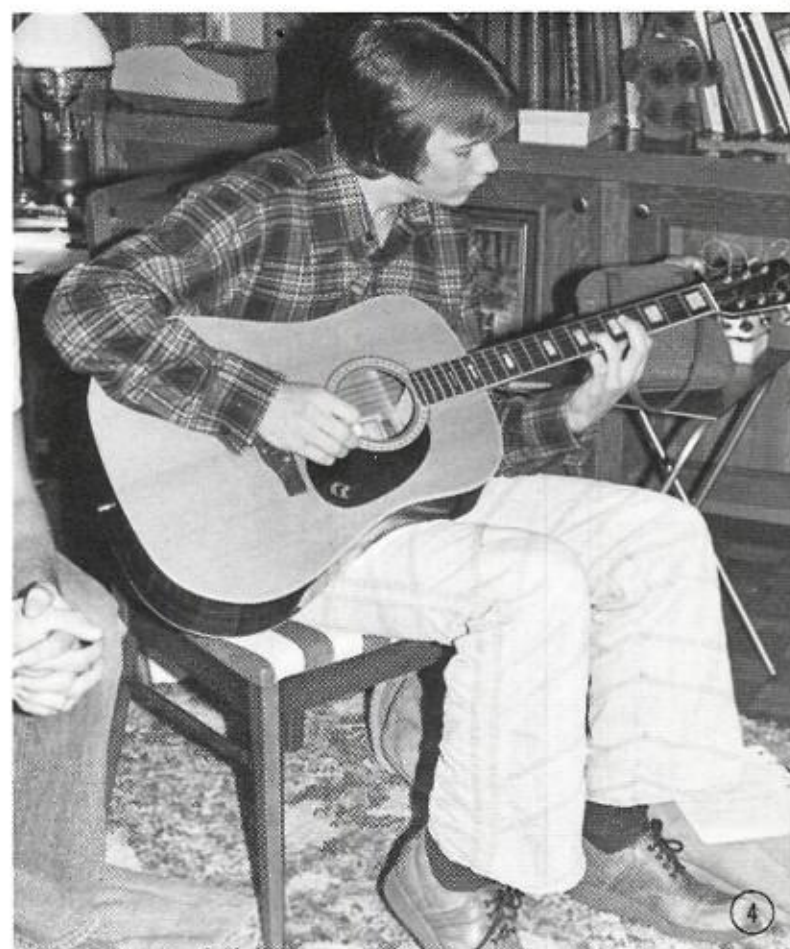

HAS SPIRIT

This year Wolfgang had many returning members. The president of the club, John Galvin scheduled many social events for the 1977-78 school year. Wolfgang had a good 1977-78 season due to new members.

BIBLE HOW DO YOU SPELL "BELIEF"?

The purpose of Wolfson's Bible Club is to promote understanding of the Bible and to help its members gain insight into the meaning of non-denominational religion. As a service to the community, members frequently visit St. Jude's Nursing home. They spend a few hours talking with the residents and serve refreshments.

Bible Club's project for the year was a county-wide Youth Rally that brought together the youth of several schools in an informal worship service.

DRAMA

"...THE PLAY'S THE THING."

The formation of the new Drama Club this year was a wonderful experience for all involved. Members studied pantomime, oral interpretation, and many other facets of the dramatic art. The highlight of the year for both the cast and the audience was a stage production of "THE CHINESE."

They were loved.
Their happy moments shared with us.
We cherished them.
But as time passes on each day,
So do our friends . . . and memories.
To us the living,
Each day must bring a new promise
And a new friendship
In this hope lies tomorrow.

THE EDITORS."

Like the trees, we have depicted in this book, each of us must strive and compete for that distant light which shines and encourages us to make the best of ourselves.

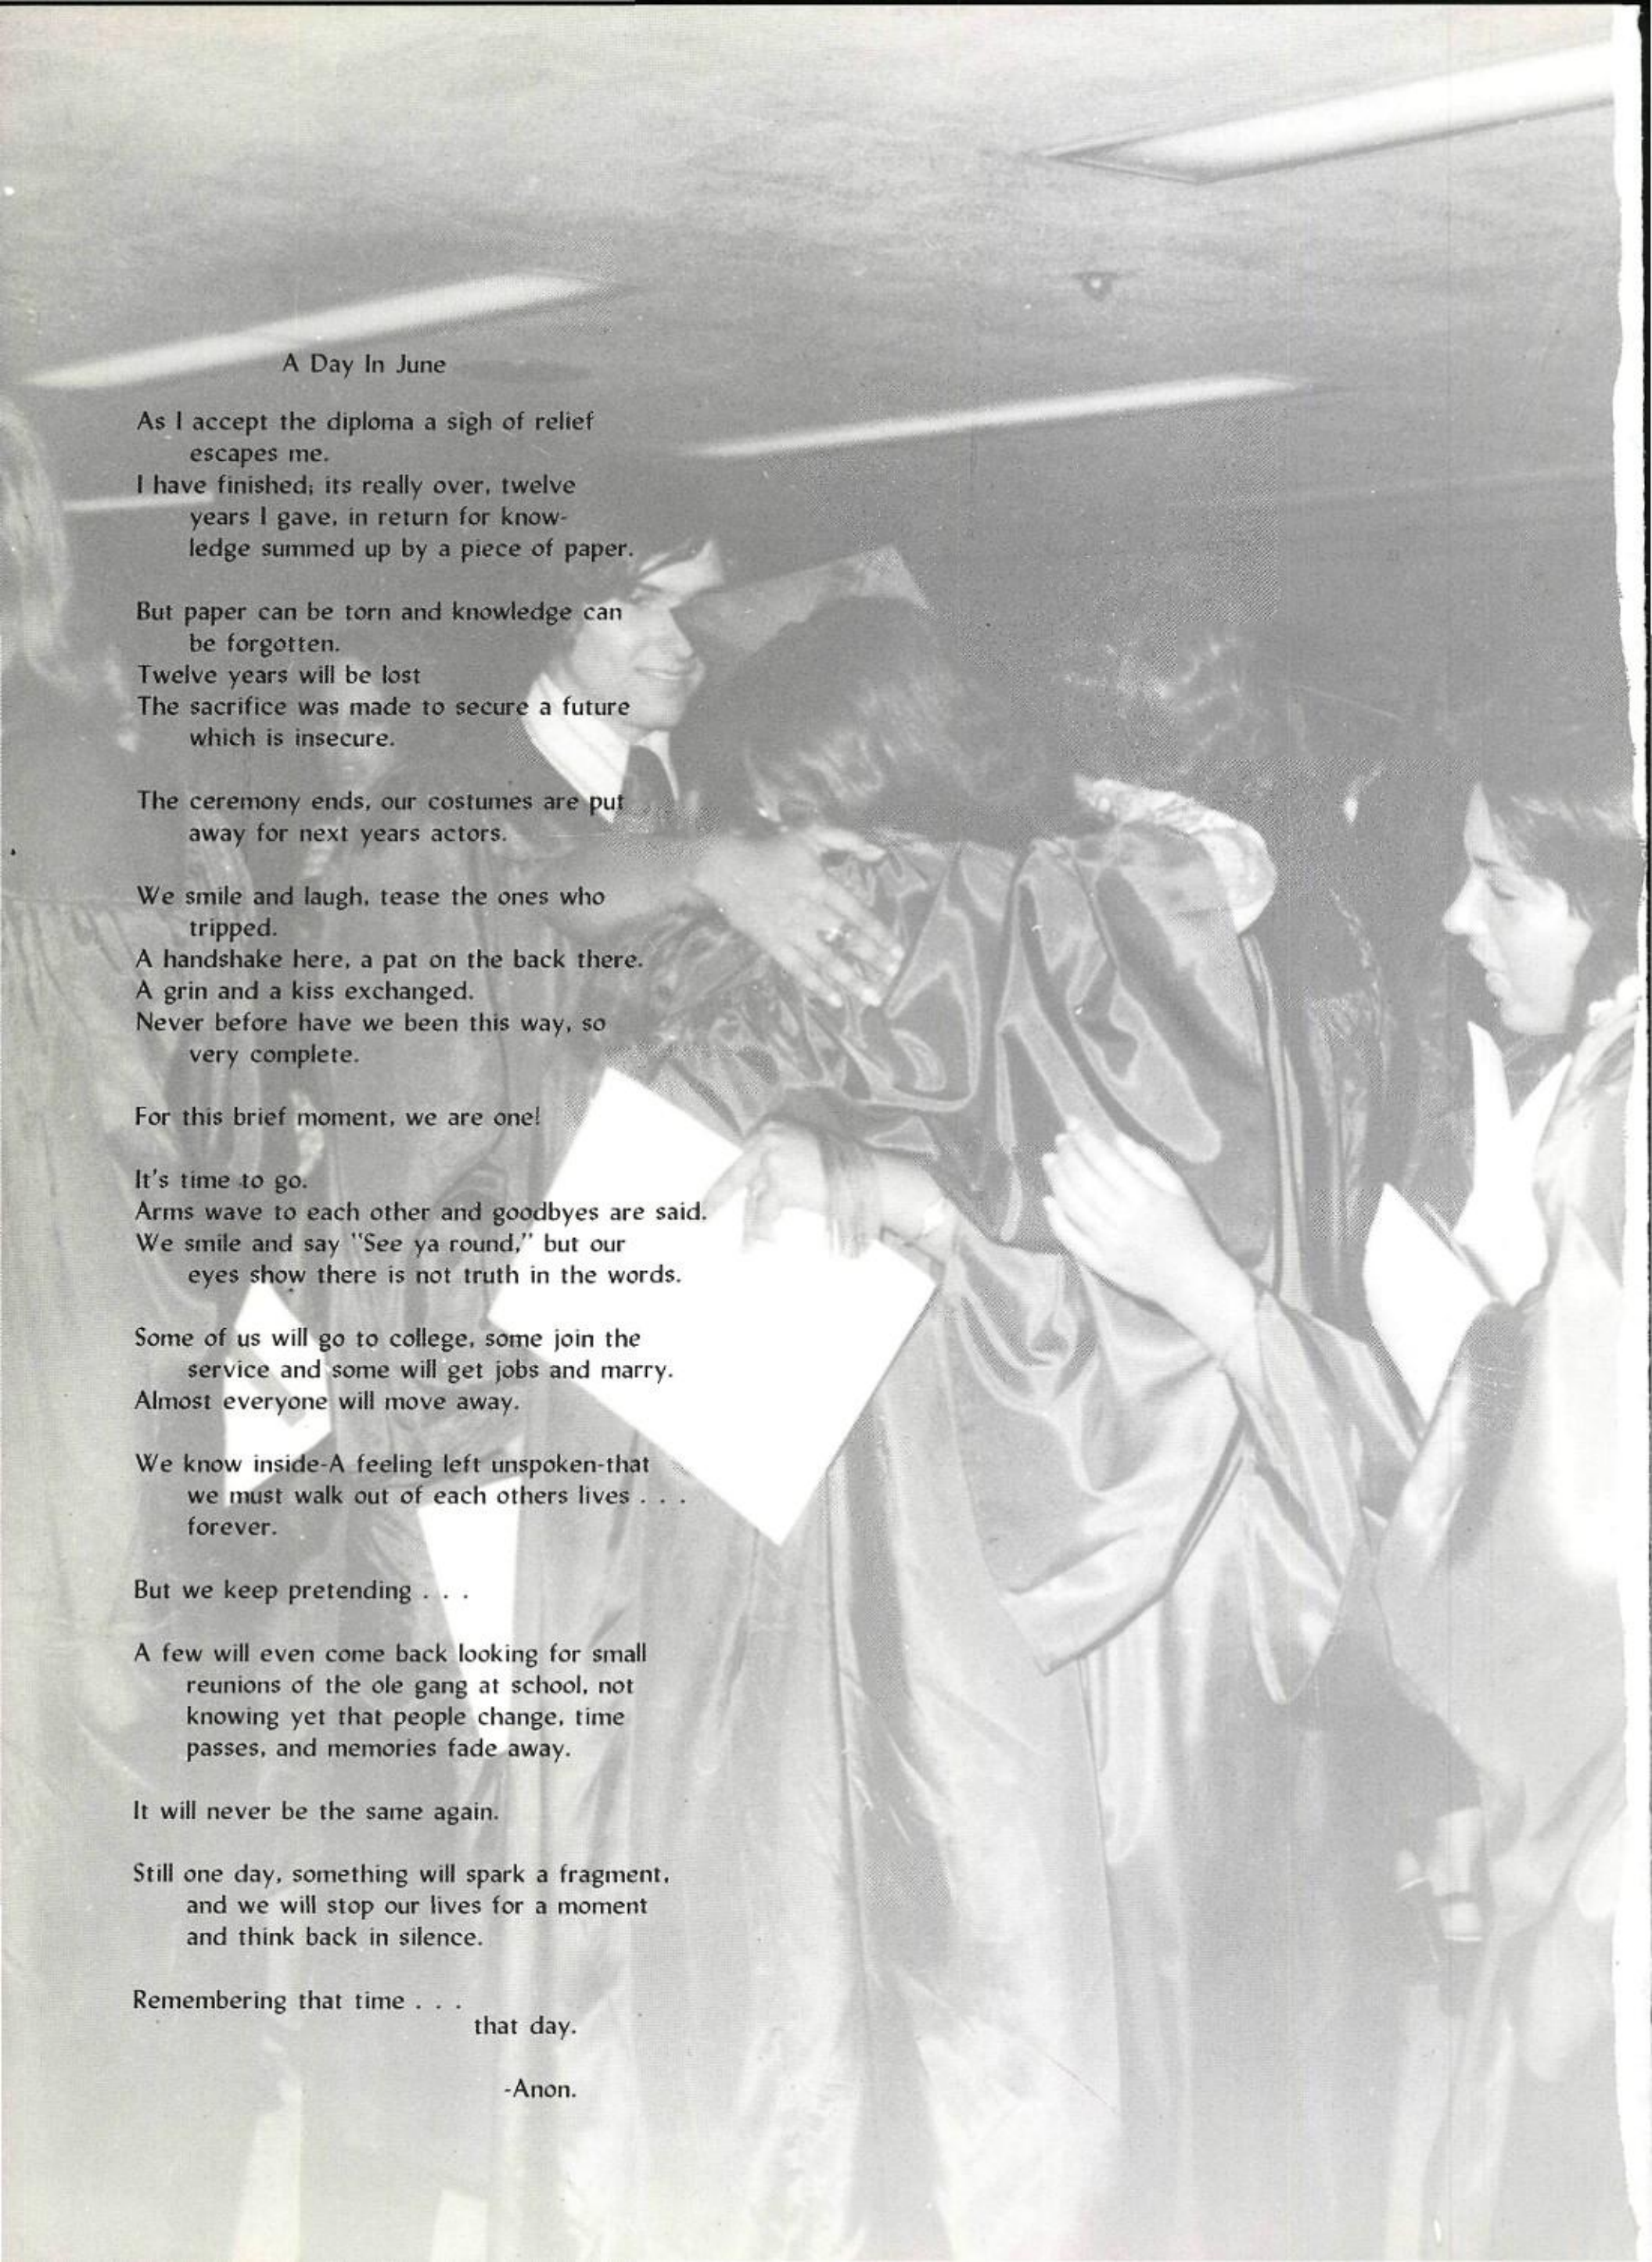

We must grow and branch out in our own directions, taking on a new and bigger responsibility, the one of making something of ourselves and our lives.

The more we store in our minds, the more we read, the more people we meet and the more events we experience, the better our chances to reach that sun light which shines for all of us.

The people and events we have experienced here at Wolfson, have played an important role in helping us achieve this goal.

May each of us, in the Class of 1978, compete and strive, like the trees, for that distant goal and someday we will reach it.

Vickie Bernath

A Day In June

As I accept the diploma a sigh of relief
escapes me.

I have finished; its really over, twelve
years I gave, in return for know-
ledge summed up by a piece of paper.

But paper can be torn and knowledge can
be forgotten.

Twelve years will be lost
The sacrifice was made to secure a future
which is insecure.

The ceremony ends, our costumes are put
away for next years actors.

We smile and laugh, tease the ones who
tripped.

A handshake here, a pat on the back there.
A grin and a kiss exchanged.
Never before have we been this way, so
very complete.

For this brief moment, we are one!

It's time to go.
Arms wave to each other and goodbyes are said.
We smile and say "See ya round," but our
eyes show there is not truth in the words.

Some of us will go to college, some join the
service and some will get jobs and marry.
Almost everyone will move away.

We know inside-A feeling left unspoken-that
we must walk out of each others lives . . .
forever.

But we keep pretending . . .

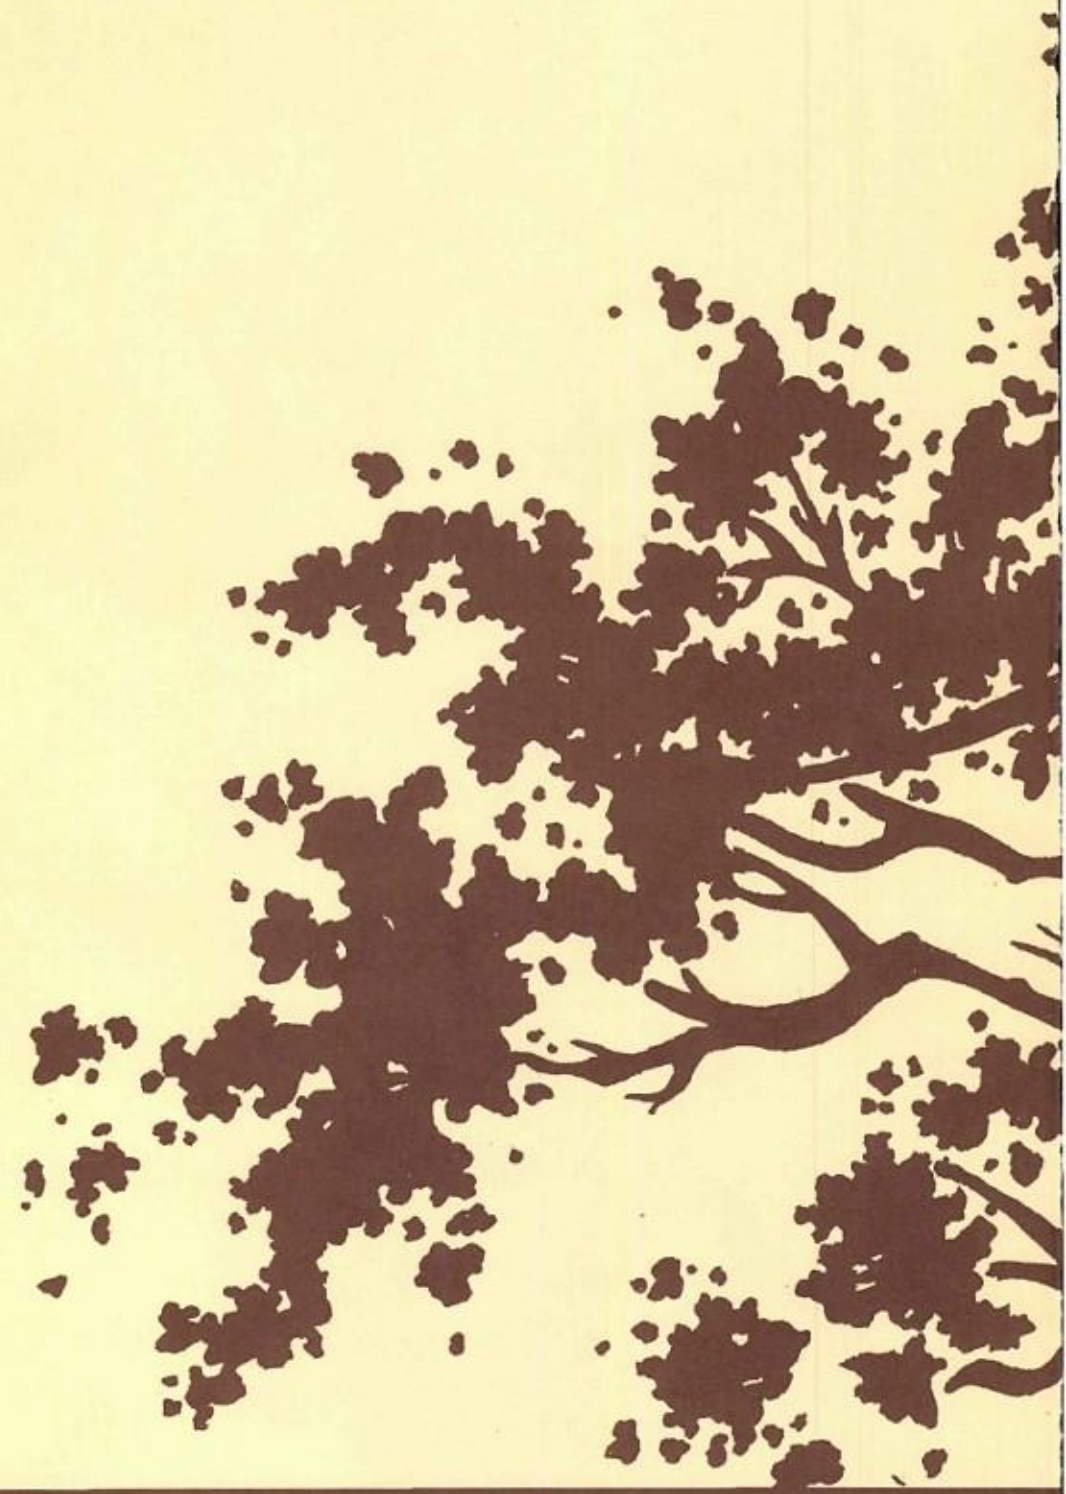

A few will even come back looking for small
reunions of the ole gang at school, not
knowing yet that people change, time
passes, and memories fade away.

It will never be the same again.

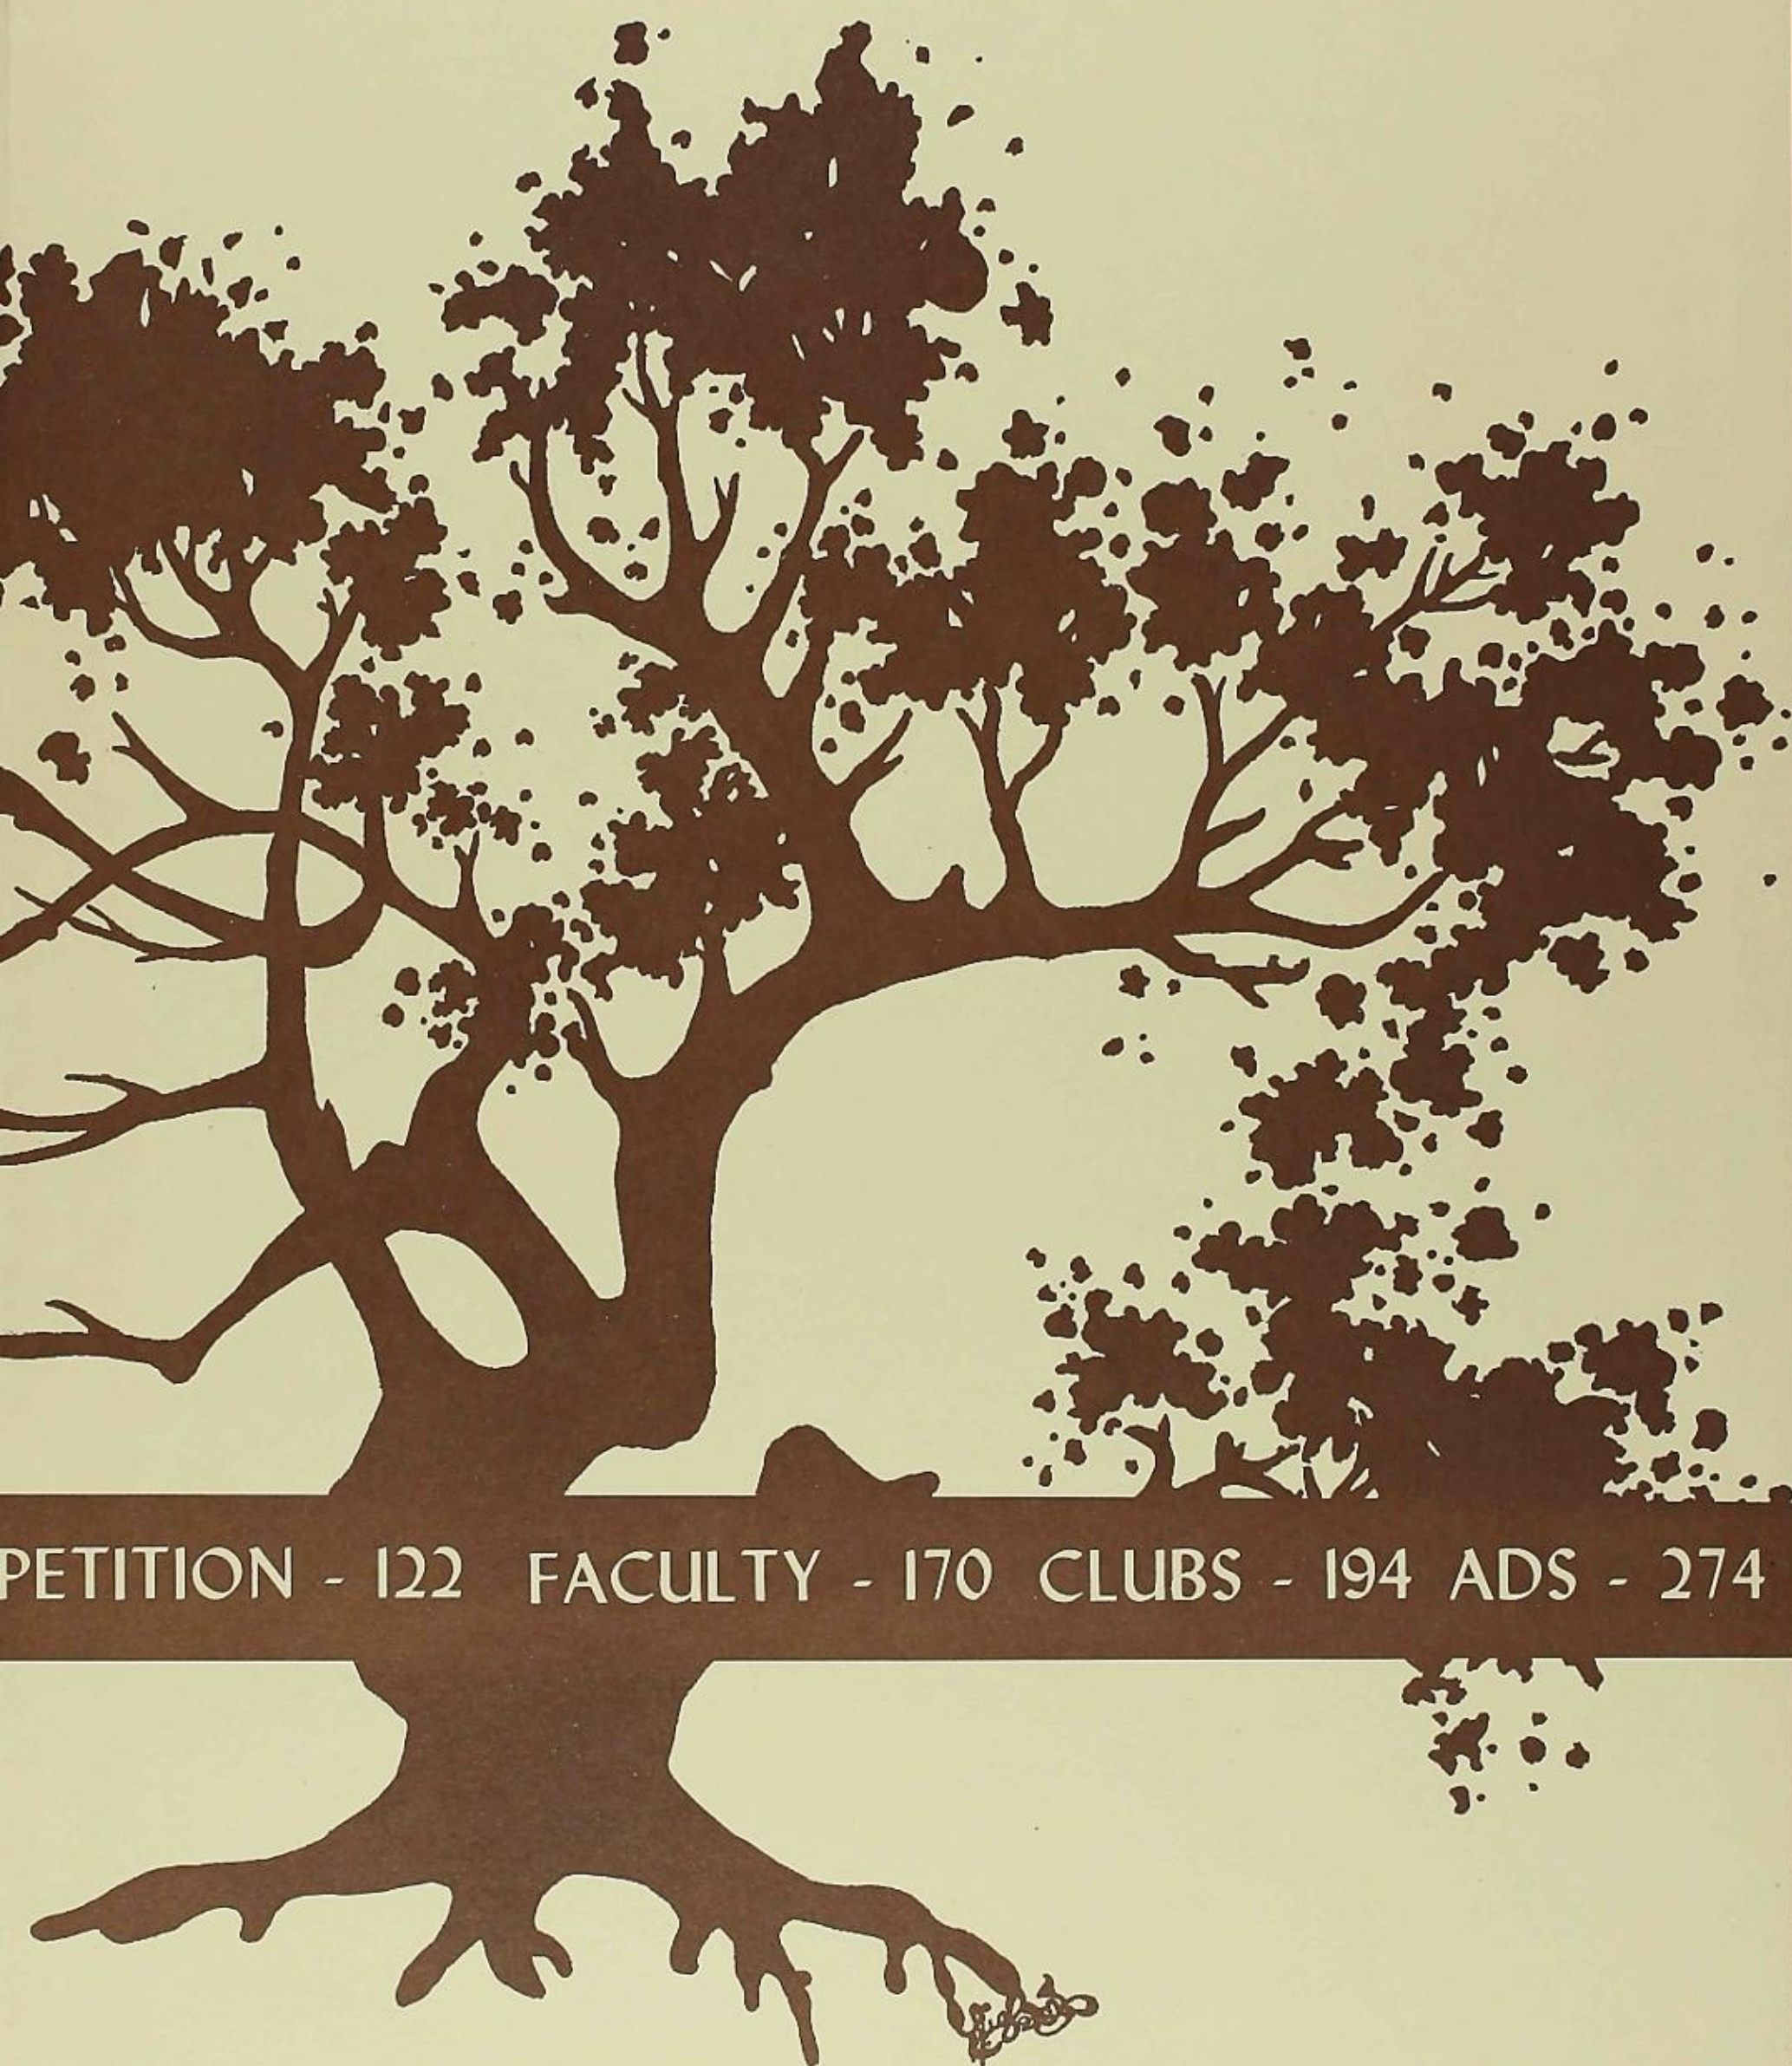

Still one day, something will spark a fragment,
and we will stop our lives for a moment
and think back in silence.

Remembering that time . . .
that day.
